(0.904)

The Path for Truth and Spirit is open source.

The kernels are hosted at [pathfortruthandspirit.org](http://pathfortruthandspirit.org)

High-energy visible light (HEV) is allegedly damaging to the eyes and skin, especially when viewed for extended periods of time, and especially at night. Information regarding HEV (also called blue light) and alleged precautions can be found under the playlist “Body”, (25.1).

All recognition for the production of archived videos, writings, and comments is to their respective creators.

Regarding those who are without guile in their pursuit of what is true:  
blessings, strength, joy and wisdom to you.  
I honor your creativity, integrity, and perseverance, and I thank you.

The titles of these videos remain unchanged from their sources according to their respective links – this means that the original title or uploader may be unknown. An ongoing effort has been made to find original titles and sources, but this has not been possible in every case. Occasionally certain notes have been added [in brackets] to titles for clarification of subject matter.

Included are comments to the selected videos by others which have been deemed relevant. These comments are not endorsed but are included for the facilitation of critical thinking.

It is best for people to come to their own realizations, with the recognition of possibilities being more valuable than hasty conclusions.

Take notes not only for retention of information but also for further collaborative research in your assemblies, home schools, private groups, and churches.

Suspend belief and disbelief.

### THREE MAIN ISSUES

\*\*\* Being red-pilled about the jews in that they are behind the ills of our world.

\*\*\* KNOWING that the holocaust is a hoax

\*\*\* Question and Challenge any Adolf Hitler/Third Reich Defamation.

If you refer to National Socialism/Germany as "Nazi", you failed THE HITLER TEST. If you refer to Adolf Hitler as an evil man, you failed THE HITLER TEST.

If you lump Hitler in the same category as Stalin, you failed THE HITLER TEST.

If you refer to FDR, Churchill and/or Stalin as the heroes of world war II, you failed THE HITLER TEST. If you refer to world war II as "the good war", you failed THE HITLER TEST.

If you believe Hitler planned to conquer and dominate the world, you failed THE HITLER TEST. (That was the goal of the jew-run Stalin/communism)

If you believe that Hitler was wrong to preemptively strike/attack Russia when he did, you failed THE HITLER TEST.

If you read and believe (unverified) JEWISH SOURCES about AH, etc, you failed THE HITLER TEST.

If you believe that Hitler despised third-world individuals, you failed THE HITLER test (10,000 nonwhites in the Waffen SS).

If you believed that Hitler intended to murder/exterminate jews, you failed THE HITLER TEST. If you believe the camps were created to exterminate people, you failed THE HITLER TEST.

If you believe that 6 million Jews died in world war II, you failed THE HITLER TEST.

If you believe the Hollywood version of the Holocaust as displayed and numerous Spielberg and other atrocious movie productions such films like SCHINDLER'S LIST and THE WINDS OF WAR or the scores of other Hollyweird productions are true, are true, you failed THE HITLER TEST.

If you believe that Hitler's restraint in NOT attacking Britain at Dunkirk was short-sightedness or from weakness, you failed THE HITLER TEST.

If you believe that Hitler was financed by the Jews, you failed THE HITLER TEST.

If you feel that Hitler was a Jew or a Zionist or that ANY of his family was, or he was a drug addict, into the occult, a rich oligarch, you failed THE HITLER TEST.

If you believe that Hitler was involved in the occult or that THAT was the 'darkness' behind the Third Reich, you failed THE HITLER TEST.

If you believe that there was a state-ordered program to murder (6) million Jews, (or 6 million ANYONE), especially using homicidal gas chambers, you failed THE HITLER TEST. (No such 'gas chamber' was ever found.)

If you believe the German concentration camps were death camps, you failed THE HITLER TEST.

If you believe Auschwitz (or any Polish/Russian, etc. camp) was a death camp instead of a work camp, you failed THE HITLER TEST.

If you believe there were ANY death camps ANYWHERE in the Reich, you failed THE HITLER TEST.

If you believe the final solution discussed at the Wannsee Conference referred to the destruction and not emigration (to Madagascar or Palestine) of the Jews in the Reich, then you failed THE HITLER TEST.

If you believe that the SS was an evil organization, you failed THE HITLER TEST.

If you believe that the Einsatzgruppen murdered a million Jews in the occupied regions of Poland and the Soviet Union, you failed THE HITLER TEST.

If you don't believe that the Einsatzgruppen was created to clear out and protect the Wehrmacht before they entered into hostile territories, you failed THE HITLER TEST.

If you deny that Hitler did anything good for his people/nation, you failed THE HITLER TEST.

If you deny that Hitler performed an economic miracle during his term in office, you failed THE HITLER TEST. If you

believe Hitler was unfair or harsh to the jews without cause, you failed THE HITLER TEST.

(Jews were considered a direct threat to national security in that Jews were overwhelmingly represented in Communist subversion, but not just the jews.)

If you fail to understand that THE JEWS declared war on Germany TWICE, you failed THE HITLER TEST. If you believe that Germany bombed England first, you failed THE HITLER TEST.

If you believe the testimony at Nuremberg was true, you failed THE HITLER TEST. If you believe the jews are still God's 'chosen' people, you failed THE HITLER TEST.

If you believe Zyklon B was anything other than BUG (lice) spray (against typhus), you failed THE HITLER TEST. If you believe the Germans would use Zyklon B to exterminate people, you failed THE HITLER TEST.

If you believe bodies can be burned in pits, you failed THE HITLER TEST.

(It is impossible for human bodies to be totally consumed by flames in this manner because of lack of oxygen among other reasons.)

If you believe the National Socialists were able to cremate bodies in 10 minutes, you failed THE HITLER TEST. (About 1-1/2 hours is required in a crematorium and larger bones require further processing afterward.)

If you believe Hitler was opposed to Christianity, you failed THE HITLER TEST.

If you believe that the Diary of Anne Frank was an authoritative historical work, or of any significance, you failed THE HITLER TEST

[Bitchute Comment] Morgaine:

May I correct you? I am a German in Germany and I never heard that elder people who knew the third Reich called the National-Sozialist different than Nazis ...this comes through the short term of Socialists which was "Sozis" - so they clicked this with Na- for "National" and so it came to the short version for National-Socialism into "Nazis" this had nothing to do with "Zionism", people did not even know about those "Zionists", I mean the simple people. So it is just our way to shorten those long names of parties and that was essential especially during those horrible times of the Weimarer Republik when plenty of parties popped up with all kind of names. Greetings from Germany.

DEVA VERSUS ASURA - PRABHUPADA CONFIRMS HITLER'S DIVINE FIGHT (PART 01)

<https://www.bitchute.com/video/dLO5IvdYLUfT/>

There are different types of people. The example is given just like there are different types of birds. A pigeon class... "Birds of the same feather flocks together." You see? That is natural. The pigeons will flock together and the crows will flock together. The swans will flock together. The swans will never go to the crow or the crow will never go to the swan. In human society also the same natural tendency is there. Of course, now we are becoming more liberal. Otherwise, formerly, the white people will not mix with black people. So this is not new. It is by nature. Everyone has got a particular type of society, environment.

Srila Prabhupada from a Śrīmad-Bhāgavatam Lecture 6.1.19, Los Angeles, January 15, 1970 Makunda Dasa Bichute channel commentary:

I see that there are two key words in this quote, natural and liberal. The dictionary definition of natural is thus:

Natural - Existing in or derived from nature; not made or caused by humankind. [English Oxford Dictionary] So natural means made or caused by God [Krishna] In Bhagavad-gita Krishna declares:

This material nature is working under My direction, O son of Kunti, and it is producing all moving and unmoving beings. By its rule this manifestation is created and annihilated again and again.

Bhagavad-gita As It Is (1972) Chapter 9 Verse 10

So nature is working under Krishna's direction and His direction is that within each species there are different types that have their own particular environment. These unique types do not mix or interbreed. Prabhupada says that this natural law of the Lord also applies to human society and each race will not mix with another as they have their own particular type of society and environment.

So this brings us to the second key word namely liberal. Prabhupada says that human society stops following this natural law of Krishna when it becomes liberal.

We have been conditioned by the Jews to accept the word liberal as a good thing, for example the dictionary says:

Liberal - Willing to respect or accept behaviour or opinions different from one's own; open to new ideas [English Oxford Dictionary]

But if God's opinion [as manifest through His nature] and the opinion of the pure devotee Srila Prabhupada is that the species should not mix then perhaps we need to read through the double talk of this dictionary definition and see it's real meaning thus:

Liberal - Willing to disrespect or reject behaviour or laws given by God and to enforce new ideas that will cause chaos in the universal order [Decoded English Oxford Dictionary]

This liberal philosophy of the demoniac who are envious of the Supreme, is to do whatever they wish in violation of God's universal law and order. In this way they disturb the peace and prosperity for all living entities.

Now I can hear the objection to what we have discussed by those who are somewhat familiar with the teachings of Srila Prabhupada. They will say that Prabhupada said we are spirit souls and that bodily identification like black or white or any national consciousness is Maya [illusion].

Yes this is a fact, but only for those who are totally freed from the bodily concept. For those who have not yet totally eradicated this bodily identification they need to follow their natures and dovetail that nature in service to the Lord.

So far we are concerned, Kṛṣṇa conscious, so long our bodily concept of life is not completely eradicated, we must follow the sva-dharma of the body. Brāhmaṇa [priestly and intellectual class], kṣatriya [warrior and administrator class], vaiśya [merchant and farmer class], śūdra [labourer class], ity ādi. But when actually advanced, that is mahā-bhāgavata [pure devotee]. We should not imitate that, but our process is the more we advance in Kṛṣṇa consciousness, we become transcendental to this bodily concept of life, brāhmaṇa, kṣatriya, vaiśya, śūdra.

Prabhupada From a Bhagavad-gītā Lecture 2.31, London, September 1, 1973

## PRABHUPADA CALLS FOR HITLER'S WARRIOR SPIRIT TO SAVE THE WORLD. THE LACK OF IT DESTROYED ISKCON

<https://www.bitchute.com/video/6u3ucsN90xR6/>

"So this is position. Therefore, because we are Kṛṣṇa conscious, we are servants of God, therefore it is our duty to save this human civilization. You see. Kṛṣṇa wants it. And to save this human civilization, these two classes are required very urgently. So you American boys and girls, you are intelligent, you have got all facilities. At least in your country, create these two classes, brahmana and ksatriya. The world will be saved, and you will be saved, and Kṛṣṇa will be pleased. Brahmana's business means that people should know what is God, what is our relationship with Him. That is brahmana's... And ksatriya's business is to give protection to the people so that may all know what is God. The ksatriyas should give protection; otherwise the demons will disturb. So there is the necessity of war with the demons, for ksatriya"

Srimad-Bhagavatam Lecture 1. 2.14 Los Angeles, August 17, 1972

Just like in Europe, that Hitler, he wanted supremacy over Europe, and he fought very valiantly. But at the end he became vanquished. Similarly, in the material world we have got so many desires and we want to fulfill it— and for which we work very hard. But at the end it becomes frustrated. That is the nature of the material world.

Prabhupada Lecture, London, September 14, 1969

Here we see Prabhupada describe Hitler as fighting very valiantly. Let's look at the dictionary definition of the word valiant:

Full Definition of valiant

1. possessing or acting with bravery or boldness : courageous valiant soldiers
2. marked by, exhibiting, or carried out with courage or determination: heroic valiant feats Sounds just like the Lords description of a ksatriya (pious fighting warrior) in the Bhagavad-gita.

Heroism, power, determination, resourcefulness, courage in battle, generosity, and leadership are the qualities of work for the kṣatriyas.

## DEVA VERSUS ASURA - JEWISH COMMUNISM MUST BE STOPPED TO SAVE HUMANITY! (PART 02)

<https://www.bitchute.com/video/9Yvxp4raoKCW/>

Prabhupada: ... two classes of men: the communist and the non-communist. Not exactly communist and capitalist, but communist and non-communist. Out of these two, the communists are going to be powerful. This is the world tendency. So if the world becomes full of communists, then the human civilization will be finished. All rogues and rascals, that's all. The American government wants to check this tendency. But they cannot check it if they remain "so-called trust in God." That will not be possible. So according to our proposition... Not only now, it is forever. Two classes of men are there: sura and asura. Surāsura. Viṣṇu-bhaktō bhaved devaḥ. Deva and sura, the same thing. Asuras tad viparyayaḥ. And the asura, or the demons, godless. So if the Americans remain godless in the name of so-called trust in God, they will not be able to check this communistic movement. They will not be able. Now, if they are serious to check this communistic movement, save the American country as well as the whole world, then they must be very serious to understand what is God and what is trust in God.

Otherwise this communistic movement will finish the civilized human society. So you are thoughtful. They must be very serious about it. And this is the only movement, Kṛṣṇa consciousness, which can make all people actually trust in God and explain what is meant by God. Demons, they... If the communists are demons and the capitalists are also demons, fighting between demons, there will be war and loss of life, but nobody will come out victorious. That is going on. There is occasional world war, but the situation of the world remains the same. No party has become able to change the situation of the world. What do you think, Karandhara?

Karandhara: No, no significant change.

Prabhupāda: Simply they fight and loss of life and money, energy. War must be for the good. If there is some war, it must be for some good. But where is that goodness? The world remains the same; rather, it becomes more worst. Then why fight? But they will fight. Because both of them demons, they will fight. But not for any good result. War means... War is not bad. Just like disease. If somebody is diseased, then he becomes healthy. The whole polluted situation of the body becomes repaired. Just like when you get a boil or dysentery, all the poisons of the body, they become purged out. Then your health becomes nice. That is the law, nature's law. Similarly, war or famine or pestilence, they are meant for purging out all undesirable men. But the demonic principle is so strong that it is not becoming so. Hare Kṛṣṇa. Make this approach. The Americans have placed in their constitution, "In God we Trust." It should be done very scientifically and philosophically, what is God and what is that trust, not a vague idea. Vague ideas will not help. They will not be able to conquer over the atheistic world. Actually, if there is organized party who believe in God factually, then this demon class of men will always be vanquished. Yes. Just like there was war between the surāsura, demigods and the asuras. God, Viṣṇu, took side of the demigods and came out victorious. But if both of them are demons, why Viṣṇu will take side of anyone of them? "You fight and go to hell." That is going on.

## Who is Metatron? The Origins of the Angel from the 3rd Book of Enoch - Sefer Hekhalot Mysticism

<https://www.youtube.com/watch?v=1-VGkaqDxbY>

[Youtube Comment]TheQuinis:

Metatron/Enoch is one of my favorite figures in mystical literature, probably because of his heavy involvement with so many mystic traditions - especially interesting to me is his identification as Idris in Islam, who has also been posited as an identity for Hermes Trismegistus!

Youtube Comment] Jose Lopez:

@TheQuinis believe what you would like.

In reading the books of Enoch you'll see a clear difference in the 2 figures.

Enoch1 is Enoch of the line of Seth. Enoch2 and enoch3 are Enoch of the line of Cain.

The name Enoch means initiated or initiating Enoch of Seth was called up into the presence of God.

Enoch of Cain is sitting on a throne(the imitation of the throne of God) Enoch of Seth was on his face before the throne

Enoch of Cain has no problem accepting worship There are 2 types of initiations.

Initiation in Mystery of Christ in you(good initiating) or initiation In the mystery of iniquity or mystery Babylon (bad initiating)

We must remember that for everything holy of the father there is an imitation of satan. And the sons of Cain were jealous of the sons of Seth.

So I think Enoch of Cain was initiated into the mystery of iniquity by the fallen watchers and taught things like the building of the pyramid and Enochian magic. And all that is of the mystery schools.

Since the fallen watcher couldn't ascend and through jealousy of Enoch of Seth ascending.

The watchers taught Enoch of Cain all the mystery's so he could build/find a way to ascend thus creating this imitation for the throne. Since acquiring this knowledge and as it is written in genesis 3:22 behold the man is become as one of us.

Through the initiation of the mysteries becoming enlightened and received his name Metatron after transforming into an angle.

[Youtube Comment] Greg Badalucco:

When I see/hear the word "Metatron" it simply means "physical throne", that of 3d existence. (imo) The "Soul" of man is in the blood, written in "the Essene Gospel of Peace" spoken by Jesus, he is revealing "metatron" the life force of the human body, that is the Plasma body/vehicle that is created/born of spirit and flesh. The Spirit lending to the Soul thru your thoughts/focus/will, and the body lending to Soul thru Diet/exercise/action. The Aura/Chi (Plasma

body) is the product of the interaction of the 2, the "metatron". "Wave Particle duality" or quantum observer effect "What you see is what you get" How you see/perceive (of the mind) produces "Emotion", and what you eat produces the "Energy/Force", that interaction/dynamic(the Scales) creates the/a Metatron, its your Plasma Being that exists in a 4th/5th dimension. Have a look a "Daniel's" diet and see the power of metatron... It's in the Etymology of the word "Vegetable" Look it up and accept the invitation to eat at the fathers table/garden.

“After the Hebrews became Christian, those left behind became Jews and codified the Talmud. Around 1200AD the Rabbis started forming secret societies in which to study esotericism, which became the Kabbala.

Around 1650 Sabbatai Zevi followed this system and announced himself the Jewish Messiah, reversing many of the Jewish traditions at that time.

Jacob Frank followed in 1750 and because the Kabbalists rejected the Talmud, the Frankists were welcomed by Christians.

This led to the Church being corrupted with similar beliefs, alongside a further cross-pollination with Fr33masonry.”

[Bitchute Comment] Free Speech Merchant:

“It should be very clear why the Jews, as a collective were kicked out of 109 countries over 1,000 times. Their Usury, ritual child sacrifice, pedophilia and Satanic worship is why. Jews are devil's who deserve the Lords full wrath. No other collective of people have been kicked out of so many countries, that many times. The Lord will destroy them.”

The following is from The New Babylon, pgs. 98-99 by Michael Collins Piper:

Thus, it is impossible to separate Zionism and Judaism and the Jewish Utopia — the New World Order. Likewise, the record shows that Freemasonry — long linked to the intrigues of the infamous Illuminati which took command of Freemasonry — has been a force in the drive for the Jewish Utopia.

In 1929 the Reverend E. Cahill, a professor of church history and social science at Milltown Park, Dublin, wrote Freemasonry and the Anti-Christian Movement wherein he concluded that much of the external trappings of Freemasonry, such as its ritual, terminology and legends are of Jewish origin; that the philosophy (or religion) of esoteric Freemasonry, that is, of the inner circles and controlling power, was identical with the Jewish Kabala, an occult and mystic philosophy of a certain segment of Jews, said to be that part of the Mosaic law handed down by tradition and consigned to writing by the Jewish prophets and others.

Cahill also concluded, based on his extensive study, that a certain group of Jews, one of immense power and wealth, were leading Freemasonry and that a somewhat larger group of influential Jews pursued the same goals as the Freemasons and use similar means and were at least in close alliance with the Freemasons.

Even the Jewish Encyclopedia on its section on Freemasonry noted that 'The technical language, rites and symbolism of Masonry are full of Jewish ideas and terms... In the Scottish Rite, the dates of all the official documents are given according to the Hebrew month in the Jewish era and use is made of the older forms of the Jewish alphabet.'

The Jewish writer, Bernard Lazare, noted that Kabalistic Jews were around what he called 'the cradle of Freemasonry' as evidenced by certain rites still in existence conclusively demonstrated.

French writer Gourgenot de Mousseaux, noting the close and intertwining relationship of Freemasonry with certain elements of Judaism, pointed out:

The real chiefs of this immense association of Freemasonry, the few within the innermost circles of initiation who must not be confounded with the nominal leaders or figureheads, are mostly Jews and live in close and intimate alliance with the militant members of Judaism, those, namely, who are the leaders of the Kabalistic section. This elite of the Masonic association, these real chiefs, who are known to so few even of the initiated, and who even these few know only under assumed names, carry on their activities in secret dependence (which they find very lucrative for themselves) upon the Kabalistic Jews.

Another French writer, M. Doinel, a former member of the council of the infamous Freemasonic Grand Orient Lodge of Paris, said:

How often have I heard the Freemasons lament the dominance of the Jews... Ever since the [French] Revolution, the Jews have taken possession of the Masonic lodges more and more completely and their dominance is now unquestioned. The Kabala rules as mistress in the inner lodges and the Jewish spirit dominates the lower grades... In the mind of Satan, the synagogue has an all-important part to play... The great enemy counts on the Jews to govern Masonry as in counts on Masonry to destroy the Church of Jesus Christ.

In short, Freemasonry — from virtually the beginning — has been an integral part of the Jewish plan for a New World Order.

—Michael Collins Piper, *The New Babylon*, pgs. 98-99

"Judaism is a religion; but Zionism is a political movement started mainly by East European (Ashkenazi) Jews who for centuries have been the main force behind communism/socialism. The ultimate goal of the Zionists is one-world government under the control of the Zionists and the Zionist- oriented Jewish international bankers."

—Jack Bernstein, from *The Life of an American Jew in Racist, Marxist Israel*

"One of our countrymen has said that we, as a people, are an organized majority. Another has said that we are revolutionaries because we are conservers of ourselves. In the management of the new world we give proof of our organization both for revolution and for conservation. Our organization for revolution is evidenced by destructive bolshevism and for construction by the creation of the League of Nations which is also our work. Bolshevism is the accelerator and the League is the brake on the mechanism of which we supply both the motive force and the guiding power. What is the end? It is already determined by our mission. Israel is a synthetic and homogeneous nation. It is formed of elements scattered throughout the whole world, but cast in the flame of our faith in ourselves. We are a League of Nations which contains the elements of all others. It is this fact which qualifies us to unite the nations around us. We are accused of being the agent which dissolves them. It is only at points which are impervious to that synthesis of national elements, of which ours is both the example and the means, that we act as a dissolvent. We do not break the surface except to awaken in the depths below the affinities which do not yet recognize each other. We are not the greatest divisor of the nations except to become their greatest common federator. Israel is the microcosm of the germ of the City of the Future."

—Charles de Beaupoil, comte de Saint-Aulaire, *Geneva Versus Peace*, pgs 83-4

The following from The New Babylon, pgs. 78-79 by Michael Collins Piper: Here is the amazing summary of it all by Higger:

In general, the peoples of the world will be divided into two main groups: the Israelitic and the non- Israelitic. The former will be righteous; they will live in accordance with the wishes of one universal God, they will be thirsty for knowledge and willing to the point of martyrdom to spread ethical truths to the world.

All the other peoples, on the other hand, will be known for their detestable practices: idolatry and similar acts of wickedness. They will be destroyed and will disappear from earth before the ushering in of the ideal era.

In short, this is effectively discussion of massive extermination of those who stand up to the Jewish Utopia — the New World Order. It continues: All of these unrighteous nations shall be called to judgment before they are punished and doomed. The severe sentence of their doom will be pronounced upon them only after they have been given a fair trial when it will become evident that their existence would hinder the advent of the ideal era.

Thus, at the coming of the Messiah, when all righteous nations will pay homage to the ideal righteous leader and offer gifts to him, the wicked and corrupt nations, by realizing the approach of their doom, will bring similar presents to the Messiah.

Their gifts and pretended acknowledgment of the new era will be bluntly rejected, for the really wicked nations, like the really wicked individuals must disappear from the earth before an ideal human society of righteous nations can be established.

And when one considers the fact that the Jewish concept of the Messiah is often reckoned to be that the Jewish people themselves are 'The Messiah,' what Higger has described takes on even more consequence."

Bro, you are throwing out the baby with the dirty water. Anyone who actually read Russell's work knows that his ideas projected the inevitable. The difference is that the cabal studied it, but the rest of people were watching soap operas on TV. Russell's is hardly to be blamed. As V says: if you really want to know who is responsible for the problem, all you need is a mirror. People chose materialism over the spirit. Karma is a bitch, ain't it?

<https://www.bitchute.com/video/ASlxURPwGtCC/>

[Bitchute Video Description] Dave The Inhuman:

Michael Black was an incredible analyst of reality. However, he and his platforms all disappeared one day. He hasn't been seen or heard from since March of 2019. So I am re-uploading everything I had saved before his absence.

Now, I'm not expecting all of my subscribers and viewers to agree with or even believe everything Michael Black says in his videos.

However, whenever [ They ] get rid of someone ( whoever you would like to think "they" are isn't up for debate right now ) but it's impossible to debate the fact that they only get rid of people whom they view as threats to them. People like JFK, Bill Cooper, Phil Schneider, etc and so fourth. I highly urge all of you to at least listen to Michael Black's videos whenever I post them ( I was able to save almost 100 of them in total ) the reason being that whatever this man was speaking about, they not only tried to erase his voice from existence but also the man himself. These are the kinds of people in my opinion, that we should all be paying close attention to what they had to say and uncovered throughout their discussions.

Is this Theft? BANKS won't give us our money

Two years ago, BitChute became the target of an activist group that attempted to shut us down by pressuring our suppliers. As a result, we lost some server hosting, our office space, and other suppliers. We also lost our bank account with HSBC. A bank account we had held in good standing and without any issues since we launched in 2017.

We initially tried to open a new account with a different bank and transfer our money. However, the new bank rejected us just as the funds had reached them. Our money was returned to HSBC, but we could no longer access it, and even today, we still have not retrieved our money from HSBC.

In August 2021, after failing to get a resolution through the HSBC complaints process, we requested arbitration through the UK's banking Ombudsman. We were informed of a long wait due to Covid, which had resulted in many bank-related problems for businesses. It wouldn't be until November 2022 that our case would be assigned.

Since arbitration started we have provided many details including the bank account where HSBC could send our money. Within a week of handing over that information, that new bank account was suspended without notice. We informed the Ombudsman that we do not want to give HSBC additional bank accounts and prefer any transfer from HSBC use a third party such as escrow, even a bag of cash would do. A necessary action that will likely lengthen the process.

It's happening again...

That happened 19 days ago, and we still have not been able to get our money from that bank even though we have informed them that we need it urgently to pay bills. It's not clear for what reason they are keeping it.

Now, nearly at the end of 2022, two different banks have our money, HSBC has held it for almost two years.

## About us

BitChute is a politically neutral company that has a diverse community in interests and backgrounds. We require that users only upload legal content that complies with our terms and community guidelines, and we have a team of support staff that ensure that is the case.

BitChute is pro freedom of expression, a universal human right. Furthermore, censorship and deplatforming are poor ways to tackle societal problems as they merely create echo chambers that can lead to bigger problems in the long run. It is important to allow people to express all ideas as this exposes them to immediate opposition and allows for a public deconstruction of any flaws

they may contain. If you are against bigotry or racism or hateful ideologies, you should be for freedom of expression.

## "Reputational risk"

In recent years financial institutions have been using "reputational risk" to stealthily engage in political discrimination. If a financial institution takes action against a lawful company for its commitment to freedom of expression, that should be a very real reputational and material risk for the financial institution.

The idea that people or companies can be excluded from the monetary system and have their assets frozen over an opinion or lawful actions is despicable. This discrimination must be wholeheartedly rejected if we are to keep free and open societies.

Please spread the word about the unfairness of this, and share this anywhere you can. Let content creators know this is a worthy topic for a video. If you would like to contact HSBC about this or for any reason you can find their contact details here: <https://www.hsbc.co.uk/contact/>

I wish you all and your loved ones a very Merry Christmas and a Happy New Year and any other holiday you might celebrate.

Ray Vahey - BitChute Founder and Chief Executive

## UPDATES

A big shout out to Josh Sigurdson for reporting on this news - that we have had our money frozen by multiple banks.

I also read an article that said people were seroconverting to HIV positive after the shot. Something to research.

The graphene is destroying the white cells which are the cells that fight infection. This prevents the body from fighting ANY disease. Sooo, if the shot doesn't initially kill you, which is the ideal, then you will die from even a simple cold or flu. It's going to be a tough fall and winter.

[For Manson researchers:

The following is a communication from the bitchute comment section of the video titled FRANK ZAPPA ILLUMINATI? PART 5 ZAPPA MANSON AND THE LAUREL CANYON SCENE]

[Bitchute Comment] Juxtaposition1:

There never were any Manson murders. That is a mendacity. The Cielo Drive and Waverly Drive Bayonet murders were an Operation Gladio NATO paramilitary team event. Nobody from CBS Columbia Records did it. However, they all knew the victims and the staging of the scenes. Charles Watson, Charlie Manson and Susan Atkins, Patricia Krenwinkel, Leslie van Houten were all scapegoated. They are all innocent. Lots of signal messaging here. Charlie Manson is a virtue signal for the naive public. Insiders know the murders were military and professional. The weapons were 1964 issue NATO-US Army M-7 bayonet. Not hatchets, not kitchen knives. 155 bayonet wounds for six victims.

[Bitchute Comment] MK-Ultra NOW:

I suppose it's possible, but why did they all confess to it? Except for Charlie, they all confessed to it.

[Bitchute Comment] Juxtaposition1:

Obviously, you have not spent any time in the County Jail nor in a the Federal or State prison system.

TRUTH has no place in public relation or PAID interviews for media. Nor is truth allowed for going against the official

PSYOPS propaganda and the structured paint-by-numbers mandatory Parole Board Narrative. Fake confessions are standard.

[Bitchute Comment] MK-Ultra NOW:

What about susan Atkins Testimony, and revelations to the 2 working girls in the Jailhouse. Also there was the testimony of the rest of the Family, the ones who were not charged or implicated.

[Bitchute Comment] Juxtaposition1 Call me., I can answer

[Bitchute Comment] MK-Ultra NOW:

I dont have you contact info. but feel free to contact me at

[Bitchute Comment] Juxtaposition1:

Art Linkletter's daughter Diane, age 20 was also murdered two months later as she was tossed out of her West Hollywood 6th floor apartment. October 4, 1969.

[Bitchute Comment] Juxtaposition1:

You may remember that it was Ronald Reagan and Art Linkletter who were masters of ceremonies of the 1955 Grand Opening of Disneyland Anaheim. Fess Parker rode a horse down main street USA. A huge diversion from reality as The Disney Studios was an OSS Propaganda Film tool. That's how older brother Roy and his animation little brother Walter built their palace estates. Not based upon Mickey Mouse, Sleeping Beauty nor Snow White.

[Bitchute Comment] Juxtaposition1:

There is NO Jay Sebring. His birth certificate reads Thomas Kummer. Navy trained.

The Jay Sebring actor was a CIA cutout for surveillance barber doing \$50 haircuts in a private room. He was assigned Jean Harlows house on Easton Drive off Benedict Canyon RENT FREE. Haircuts were \$1.50 in 1968-69.

It was a surveillance operation. Wire tapped and alcohol. All the bayonet murder victims were working in numerous Hollywood COINTEL Operations. Abigail Folger was the Nobility Class Banker for money laundering. She funded Sebring International and the SF Haight Asbury Process Church too. Her wealthy divorced Pacific Heights mother Ines Mejia funded the SFHAFMC across Haight Street. Sharon was an actress and eldest daughter to an Operation Counterintelligence terrorist Paul Tate and she wanted to retire to become a mother of Tom Kummer's child. Voytek Frykowski was the annoying surveillance partner of Abigail Folger who was seeing a Beverly Hills psychiatrist and wanting to lose him.

Roman Polanski was in London sleeping with Michelle Phillips. Mamas and Papas.

[Bitchute Comment] MK-Ultra NOW:

You may be on something about Sebring, thank you fro posting. What is SFHAFMC? Do you have any sources for this?

[Bitchute Comment] Juxtaposition1:

of course. I am rock solid. Do you know William Colby's Operation Gladio? NATO kill teams?

Did you know Sharon Tate's father Col Paul Tate was a professional murderer for the CIA Army INTEL in Verano Italy and possibly in Disney-Studios 8935 Waverly Avenue/,Lookout Mountain facility Zip Code atop Laurel Canyon and in

Presidio San Francisco?

or that the Belverly Hillbillies TV show set (cement pond backdrop) viewed directly into the Cielo Drive crime scene? 1100 Bel Air Drive is a few estates downhill from Art Linkletter's house. And directly above Walt Disney's 35,000 square foot Holmby Hill property which is directly below the 10050 Cielo Drive Porn films, party Honey Pot set.

Hugh Hefner's Playboy Mansion is close-by too across Sunset Blvd as yet another surveillance estate for CIA. These places are all connected.

[Bitchute Comment] MK-Ultra NOW:

I am more aware of Colby's Phoenix Program In Vietnam, but there are implications that Manson by have been the result of a domestic form of it. Gladio was Initially a Plan that was suppose to be an insurgency in Europe in the event of a Soviet take over of Western Countries. Many have written about it in Connection to Co Intel Pro. , which was revealed in the Church Committee.

[Bitchute Comment] Juxtaposition1:

Wiilliam Colby Army Air-born paratrooper-recruited into the OSS was made in 1943 (trained in Scotland) and was charged with creating Gladio using NATO airbases across Europe.

Teenage Sharon Tate posed for the Cover of Stars & Stripes April 1960 issue, cowgirl straddling a NATO Nike Army missile in Verona Italy, at the age of 16 in 1959. Her father was stationed at a NATO base in Verona and William Colby was appointed station chief in Rome for the Holy See and Bank of Vatican.

Col Paul Tate's family resided in Nothern Italy (1959-1962) and was then to California at San Pedro Federal Terminal Island Prison (Mason was inmate) and Army Fort MacAthur, Disney Studios-AFB Lookout Mountain Laurel Canyon and the SF Presidio.

Hollywood's Studio City CBS Television for Sharon.Tate: (CBS television appearances in: Beverly Hillbillies, Mister Ed, My Favorite Martian, Petticoat Junction pilot) Later she co-starred with Tony Curtis and Dean Martin and in Valley of the Dolls with the younger Patty Duke.

In late 1960 Bill Colby was transferred to Saigon Vietnam and granted Embassy State Department status as he planned C.O.R.D.S Program and had tea with the Diem brothers (CIA puppet leaders of the fake republic of South Vietnam)

William Colby worked closely with Daniel Ellsberg, Edward Lansdale of the RAND Corporation (RAND provided a free rental house to Abigail Folger's in Laurel Canyon at 2774 Woodstock Road) while Coby's Operation Phoenix engaged in brutal bayonet mass murder of 504 civilians on March 16, 1968, the My Lai Massacre Vietnam War.

In 1968 William Colby was Chief Deputy Director of Phoenix and admitted under oath to murdering 26,000 innocent civilians, Colby also declared that the political assassination PSYOPS was a huge success.

For the record:

Both Diem brothers were murdered in Saigon, November 2,1963 (M-16 rifle rounds to the foreheads) JFK was murdered on November 22, 1963

Sharon Tate had dinner with RFK inside of the gated Malibu Colony on June 2, 1968. RFK was murdered June 5, 1968. Abigail Folger worked inside of his campaign in NYC. Sharon Tate murdered on August 9, 1969, age 25 (16 bayonet wounds)

Abigail Folger murdered August 8, 1969, age 25 (28 bayonet wounds)

Diane Linkletter murdered October 4, 1969, age 20. West Hollywood six floor fall toss  
William Egan Colby (CIA Director) was murdered on April 27, 1996 whilst eating dinner of steamed clams in his Rock Point Maryland cabin kitchen. (unknown poison, body disappeared for nine days) NO ruling on death.

Human sacrifices for the Vassal and Nobility classes are common. That sends strong messages of Pacification & Control.Obedience.

[Bitchute Comment] Juxtaposition1:

Everyone LOVED Charlie Manson: Neil Young loved him and spent lots of time with Charlie at 14400 Sunset Blvd  
CBS provisionally owned and assigned to CBS Radio Star Will Rogers Hunting Lodge, 5.88 acre Estate and gated enclave to Dennis Wilson-Charlie Manson during 1968.

Charlie Manson also lived with Beach Boys founder and songwriting genius Brian Wilson in the Gated Malibu Colony next-door to Doris Day.

Dennis Wilson never lived at the property as he toured Europe that summer and chased women after his first of five divorces. Charlie Manson resided there RENT FREE from April 1968-December 1968. Weekly housekeeping and landscaping service. Altadena Dairy made daily deliveries of chocolate milk and farm fresh eggs. Who paid?

Susan Atkins babysat Mike Love's daughter when he was busy having an affair with his secretary. LOL. Pathological liar Love denied it for twenty years before eventually blaming his ex wife of sleeping with his younger cousin Dennis Wilson and employing the pregnant Susan Atkins. Pathetic.

Charlie Manson was invited to Elvis Presley's house at 1174 Hillcrest Road for poker games.  
Jim Morrison chauffeured Charlie around too back and forth from Canoga Park to Laurel Canyon. Charlie Manson was a babysitter for Grampa Munster Al Lewis, age 45. 1968-89  
Sharon Tate NEVER resided at 10050 Cielo Drive. Her clothes remained in her traveling steamer trunks NOT hung in the closet. She stayed at Patty Duke's house on Summitridge Drive or at Sheila Wells deluxe condominium on Wilshire Boulevard. She was working in Italy for six months. She didn't need a home until her delivery date.

Roman Polanski NEVER resided in the Cielo House---it was a surveillance and porn party house. NOT a residence. He stayed at a Studio City Paramount Pictures Bungalow. They had an 18 month fake marriage.

Jane Fonda and Henry Fonda lived there as a rental for a time. Cary Grant and Diane Canon stayed there briefly. As did Elvis Presley's hairstylist Jerry Shiller and Doris Day's son Terry Melcher, Candace Bergen and Columbia Records artist Mark Lindsay of Paul Revere and the Raiders. CBS owned red Ferrari GT parked in the Cielo garage.

[Bitchute Comment] Juxtaposition1:

Bear in mind the OSS-CIA owned Ronald Reagan his entire career.

The clandestine services sent him obedience messages periodically. In the Tate-Folger bayonet murders they introduced a planted Buntline long-nose 22 caliber pistol as a possible murder weapon of Steven Parent, age 18 (Steven was not bayoneted to death as he was NOT supposed to be present)

This pistol resembled Ronald Reagan's gun from his 1940-1950 Western films. This implicated the Governor of California in 1969 Ronald Reagan. LMAO.

- 1) the gun was planted 30 days post crime in Sherman Oaks
- 2) No ballistic tests were performed for months
- 3) test results did not match the four bullets found in Steven Parent's body
- 4) the weapon was NOT USED IN THE CRIME
- 5) ADA Aaron Stovitz lead prosecutor and the OSS judge Charles Older allowed the gun into evidence at the Manson murder trial DESPITE knowing it was never used in the Cielo Drive crimes. RAILROAD fake evidence.

[Bitchute Comment] Juxtaposition1:

We should do a series of shows on 1967-1969 PYSOPS events I know these subjects extremely well. I lived it. Zodiac murders: News media reported four events, seven victims, five deaths. (in my backyard)

Haight Ashbury anti-war, anti-draft, free concerts, LSD, peace and June 1967 Summer of Love PSYOPS and UC Berkeley Peace Riots, Peoples Park, Hells Angels drugs distribution for the college campuses in SF Bay Area.

In SoCal it was the motorcycle gangs of Venice Beach, the Straight Satans and then San Fernando Valley Satan's Slaves in Los Angeles and Ventura Counties. Timothy Leary, Roger Smith, David Smith, UCLA Louis Jolyon West MK Ultra LSD and amphetamines out of the SFHAFMC 1966-present. Home to Patty Hearst kidnapping and Kevin Collins abduction. Notice in the Ron Reagan interview that Charlie refers to a USC psychiatrist? He meant UCLA but deliberately avoided the CIA infiltrated Bioweapons and DOE weapons Livermore Labs of the University of California System. UCLA Department Head Louis Jolyon West knew Manson well and doped him. People's Temple and Jim Jones as foreman of the Mendocino County Grand Jury 1965-1974. Then Jonestown. George Lucas and Francis Ford Coppola Warner Brothers funded PSYOPS dystopian film THX 1138 (1968-1970) Sharon Tate-Abi Folger, Tom Kummer, Voytek Frykowski, Steve Parent, Rosemary & Leno LaBianca bayonet murders. NATO paramilitary attacks Operation Gladio style. (CIA William Colby and Army Col Paul Tate)

Then separate shows on the made-for-media cover stories which have ZERO to do with any murders. "Manson Murders" was a hoax PSYOPS mendacity and should be ceased. Helter Skelter was a CIA book written by Curt Gentry a career CIA cover story ghost writer. He wrote Gary Powers Operation Overflight and USS Pueblo Second in Command. All fake books and mendacities scripted by the CIA well in advance of these planned events. 62 years of Nationally presented media lies require time to unravel.

Vincent Bugliosi knew little to nothing about the murders and NEVER visited the murder scenes for 90 days AFTER the crimes as he was not assigned until Thanksgiving 1969. The murder scenes had been repainted and scrubbed.

Bugliosi was the FIFTH BANANA and NOT in an authority position at any time. The OSS alum District Attorney Evelle Younger, Beverly Hills attorney Paul Caruso, ADA Aaron Stovitz took orders from the CIA.

The LA Police were NOT much involved in the Manson Murder Trial as they never found any evidence to implicate them. They did interview over 200 people. There was zero evidence implicating Manson. Two fingerprints were planted in bizarre locations and NO POLICE OFFICER would corroborate them. 39 unidentified latent fingerprints were found at Cielo. No fingerprints found at Waverly Drive. LOL

ADAs Stephen Kay and Vince Bugliosi were assistants. It was a fix. The judge, the lawyers, PLANTED FAKE GUN, two fingerprints from previous arrest booking, and boatloads of perjured testimony from witnesses who never witnessed

the crimes, and a clueless jury wanting to go home. It was a joke. Death Penalty and NO DEFENSE presented.

Manson's first TV trial judge, William Bigby Keene, was borrowed from TV Perry Mason, The Addams Family, Divorce Court., My Favorite Martian, and Keene correctly granted Charlie Manson's request to assert his 6th amendment right to defend himself---BAM!!! Keene was immediately REPLACED with Army Judge Charles Older whom denied Manson's 6th amendment rights.

Charlie Manson was both smart and charming. The Cable Network PAID Geraldo Rivera, Diane Sawyer or PBS Charlie Rose or Ron Reagan interviews were scripted, edited and staged. Charlie made big money for his prisons. (San Quentin to Vacaville to Corcoran) Charlie bought all his cellmates flat screen televisions, remote controls and earphones.

Charlie Manson was a beloved man.

Gladio in Italian means: "by the sword" NATO OPERATION GLADIO means: "The Army left behind" for the resistance.

[Bitchute Comment] Juxtaposition1:

SFHAFMC is a CIA acronym for: San Francisco Haight Ashbury Free Medical Clinic. The HAFMC Director David Smith, PhD in pharmacology science from University of California San Francisco had no medical license. LMAO. Sort like biological weapons funder Anthony Fauci giving clinical advice to the public. NO EXPERIENCE WHATSOEVER with health care. Both are clueless as to health matters.

Both used laboratory mice or humans to test out LSD, amphetamines, electric shock and death or injuries to their experiment subjects.

The CIA funded two deceptive programs at the SFHAFMC.

- 1) ARP Amphetamines Research Project using college students, homeless people and the Alameda County Hells Angels to distribute drugs to local campuses.
- 2) HAP Haight Ashbury Project which performed numerous clandestine operations using Colonel Paul Tate Army Presidio Biological Weapons Letterman Hospital and Bill Graham Promotions of FREE music concerts along with Warner Bros, Atlantic Records, CBS Reprise Records signed artists from Laurel Canyon to attract masses of naive peace loving college age kids. Then to perform counterintelligence warfare upon them. Prostitution and MK ULTRA LSD experiments too. Charlie Manson was required to see his Federal Parole Officer Roger Smith in the SFHAFMC Offices. Sigh

[Bitchute Comment] Juxtaposition1:

CIA Vietnam C.O.R.D.S. Program was a PSYOPS acronym for the USA War strategy in Vietnam, mass media presented as "Winning the Hearts and Minds". LMAO NOT!

It was conceived during the 1940s and 1950s along with the RAND Corporation of Santa Monica and in cooperation with CIA War planning contractors Daniel Ellsberg, Edward Lansdale, Richard Helms, William Colby and Henry Cabot Lodge all influenced that policy. KBR Brown & Root, Bechtel Corporation, DOW Chemical, Monsanto Company. The major Bankers all approved and funded the CORDS blueprint.

CORDS—Civil Operations and Revolutionary Development Support—was formed to coordinate the U.S. civil and military pacification programs. A unique hybrid civil-military structure directly under general William C. Westmoreland, the COMUSMACV, CORDS was headed by a civilian, Ambassador Robert W. Komer, who was appointed as Westmoreland's deputy.

CORDS pulled together all the various U.S. military and civilian agencies involved in the pacification effort, including the State Department, the AID, the USIA and the CIA. U.S. military or civilian province senior advisers were appointed, and CORDS civilian/military advisory teams were dispatched throughout South Vietnam's 44 provinces and 250 districts.

In early 1968 the CORDS Program was enhanced with Operation Phoenix political assassination and interrogation torture centers in all 44 provinces.

Just as with CIA Programs: Gladio, Bluebird, Artichoke, Monarch, MK Ultra, Chaos, and the FAKE LEAKED Pentagon Papers, all of the Top-Secret Files are hidden to this day. This helps maintains confusion and speculation in the naive public.

MK Ultra was first supervised by Sydney Gottlieb, a CALTECH Biochemist PhD turned into Doctor Frankenstein. Gottlieb, PhD. Gottlieb's thesis was entitled: "Studies of Ascorbic Acid in Cowpeas."

Gottlieb governed over 150 projects which included psychiatric prisons, mental homes and Bio Weaponry Bases of Maryland Army Fort Detrick, Army & Edgewood Chemical Biological Center (ECBC) and Anthrax Island Long Island, Bellevue Hospital and federal grant funded Universities

Gottlieb conducted experiments using THC, cocaine, heroin, and mescaline before realizing LSD had not been properly tested or investigated by the agency. After trying LSD for the first time himself, Gottlieb accelerated LSD experiments at the agency, testing it on agents who agreed to be dosed under controlled environments and some who agreed to be dosed by surprise

Gottlieb personally supervised the November 28, 1953 NYC Statler Hilton Hotel murder of Bio-Weapon Army Captain virologist, Frank Olson via suicide from Room #1018A (13th floor) window onto the concrete below. Suicide by murder. A common method of many others who attempted to resign from a Top Security Program.

MK Ultra, CORDS, Phoenix, Gladio were all weaved into the CIA managed Vietnam War experiment (1942-75),

Today, we have the COVID and VAX PSYOPS program along with the 5G microwave weaponry Radio Frequency electroshock mind reconstruction Wi-Fi smart grid platforms of Amazon Sidewalk, Ring-camera and more.

[Bitchute Comment] Juxtaposition1:

The Monach Project is merely one of 150+ Sidney Gottlieb funded MK Ultra programs. The SFHAFMC, ARP, HAP might be other examples.

COIVD, the VAX and Tony Fauci National Institute of Health, are yet another example. PSYOPS, fear, microwaves and drugs.

It is not a coincidence that Charlie Manson was last positioned inside of restricted CIA China Lake Naval Weaponry Area. (for only a few weeks as he was rearrested for an alleged Graffiti of a Mojave Desert sign?)

[Bitchute Comment] MK-Ultra NOW:

You mentioned the " Monarch" project. Is there any evidence of the monarch project? Do you believe in Mark Phillips and Kathy O Brian.?

[Bitchute Comment] Juxtaposition1:

LOL: The Secret Files are unavailable for us to review and discuss.

DCIA Richard Helms allegedly ordered the destruction of all MK Ultra files in 1973. If you believe that then I have a Golden Gate Bridge available for installment purchase. Hidden files? YES.

I believe in the historical examples of the Manchurian Candidate Mind Controlled scapegoats or "would be" assassins positioned/inserted into murder plots and presented as LONE NUTS by the CBS, NBC, ABC News. that is by fiat: declaration: 1) the actual murderers in conjunction with 2) the fake murderer scapegoat(s) For example:

MK Ultra psychiatrist Albert A LaVerne and his wife's gunshot murder by his former STUDENT from Bornx Jesuit Fordham University, age 21 coed Ann Kerman. Psychiatrists in New York still talk about the murder of Paule Passavant LaVerne, the wife of Dr. Albert LaVerne, a psychiatrist, in the lobby of their Fifth Avenue apartment house in 1961 by a former patient of her husband. Shot to death as her children watched. MK Ultra Dr Albert LaVerne recruited Ann Kerman from his sociology class. In the years (1957-59) leading up to his PhD wife Paule LaVerne's murder by a former Bellevue Psych Ward patient Ann Kiernan, Dr. Albert A. LaVerne was dosing NYC Bellevue Mental Hospital patients with substances to ease their anxiety. It was assumed, but not stated in the papers, that the substances included Sandoz Pharma LSD and electroshock treatments. Ann Kerman received 19 electroshock treatments at Bellevue Hospital administered by Dr LaVerne BEFORE she murdered his wife om 1961.

During 1958 Dr Albert LaVerne treated schoolteacher grad student Ann Kiernan, age 23, for the six weeks she was kept at Bellevue Hospital. At that time LaVerve resided next to Central Park at 1200 Fifth Avenue at East 102 Street NYC. (Before his wife was murdered) In December 1961 Ann Kiernan, a 26-year-old Mountain Lakes, N.J., woman who shot and killed a psychiatrist's wife (Paule LaVerne) last August, was committed to Matteawan State Hospital for the Criminal Insane at Beacon, N.Y.

MK Ultra psychiatrist Albert A LaVerne and the Brooklyn Mad Bomber George Peter Metesky (arrested January 21, 1957 and assigned to MK Ultra Dr LaVerne at Bellevue Hospital)

MK Ultra psychiatrist Albert A LaVerne and Lt William Calley and My Lai Massacre court martial (1970-71)

MK Ultra psychiatrist Albert A LaVerne;s arrest for the arson fire of his Yonkers Mansion following David Berkowitz sentencing: (April 24, 1980)

Jack Ruby (Jacob Rubinstein CIA Carlos Marcello money laundering facility agent in Dallas) James Earl Ray (MLK patsy)

Sirhan Sirhan (RFK and Lockheed Skunkworks employee Thane Eugene Cesar)

Mark Chapman (John Lennon) Bay of Pigs Cuban Jose Perdomo was the doorman at the Dakota on Dec. 8, 1980, the night Lennon was killed. Jose Perdomo was at the crime scene when the murder occurred. Jose Perdomo asked accused assassin Mark David Chapman, immediately after the shooting, if he knew what he had just done.

John Hinkley (Ronald Reagan and a CIA pneumatic target gun. Jim Jones (People's Temple and MK Ultra Jonestown Guyana) Patty Hearst (SLA), age 19

Dave Dave: Michael Jackson Was Like A Father To Me

<https://www.youtube.com/watch?v=En5Q4syywcw>

Is Michael Jackson still alive? Michael and Dave Dave comparison

<https://www.youtube.com/watch?v=OfRSaJz0kxg>

[Youtube Comment] Dan Zalisnock:

To me the akon interview is the icing on the cake. Dave Dave was a real kid that was helped by Michael and Michael got Dave's permission to disguise himself as Dave.

Dave Dave is COMEBACK 2015 This is Michael Jackson Disguise ? Part 1

[https://www.youtube.com/watch?v=\\_6doLwY2bQw](https://www.youtube.com/watch?v=_6doLwY2bQw)

[Youtube Comment] Prizzy:

This guy's the real Dave Dave. His voice is deeper, his eyes are different, different energy. I think Michael just played his role once in 2009, as he wanted to be present to his own funeral and talk on TV so that he could send people who could get it the message that he's still alive and hiding. Wish him all the best, far away from all the shit that used to surround him.

[Youtube Comment] JAIHA BANKS:

The 2009 Larry King episode WAS Michael. But I do believe that the real Dave Dave is also being used for this whole cover up. I'm pretty sure that Dave Dave was really a close friend of Michael's and for as long as Michael had been an entertainer he probably had been planning his getaway for years. This would be the perfect plot and

cover up for him to do exactly that .. GET AWAY. He probably paid this man to use his identity, made a body suit and got the makeup (think of his movie Ghost where he was made to look like an overweight businessman with glasses) and made himself into Dave Dave. Michael was smart and he had become the media's tormented obsession. His life was poked and prodded and meddled into and for all of the years he was being controlled and manipulated by his father and those within the record companies he dealt with, he had to find some way to break free and finally live the life that he had always truly wanted to live.

He faked his death and used the real Dave Dave's identity to make his escape and to be free and to be happy. As filthy rich as Michael is and all the people around him personally who did admire and adore him he had everything and everyone he needed to be able to make this all happen. Everyone in this music industry knew. The tears and the sadness we seen them display was all part of the act. That man is sitting somewhere watching all of this happen and he's quiet and he's happy.

Michael Jackson's (1988) and "Dave Dave's" (David Rothenberg's) Voices COMPARISON  
<https://www.youtube.com/watch?v=TrB1XRxuUz4>

[Youtube Comment] The The:

Yes it's important to remember we have seen two Dave Daves since the death of MJ. One suspicious appearance on that infamous late TV talk show and many other appearances by the real Dave Dave before and after. I think the key is not to try to prove that MJ is still alive, but to established and prove that there was two Dave Daves making appearances around the time of MJ's alleged demise. Then ask the Question why?

[Youtube Comment] LamanKnight:

I'm reading the book for the first time, and thus far I've passed the part where the movie ends. So, I have read about this part. It plays out somewhat differently in the book, but both versions of this scene teach a chilling truth:

In the book, Gmork tells Atreyu that as a werewolf, he is able to cross between worlds, so he has seen the human world for himself, and he has seen how it works. Gmork explains to Atreyu that all residents of Fantastica who are swallowed by the Nothing (or who jump into it willingly) will continue to exist in the human world, but not in the same form that they had in Fantastica. According to Gmork, the former creatures of Fantastica turn into lies. For instance, spooks (monsters like vampires, witches, and ghosts) turn into lies of fear, and their presence causes humans to feel afraid of things that aren't real. Other people of Fantastica turn into lies and illusions that cause humans to believe harmful things about themselves, about others, and about the world in general.

In the book version of the story, Gmork is teaching that humans will always imagine. But if we lose the ability to imagine deliberately, to engage in fantasy or dreams, then instead we will imagine involuntarily. And since using our imaginations won't be a deliberate choice, we won't acknowledge what is imaginary, as opposed to what is real. Thus, we will come to believe that ALL of what we think is real. And that's dangerous. The difference between a lie and a fantasy is that a lie is believed to be real, while a fantasy is known to be unreal, even if it is valuable. A world that suppresses fantasy becomes a world of lies.

In the movie, Gmork tells Atreyu that people who have no hopes or dreams are easy to control. He's all too right. A person who wants nothing, or who believes it is impossible to get what he wants, has no reason to fight for himself. And if one choice is just as miserable as another, he will have no reason to care if someone else imposes their own choices on him. This lack of hope won't completely eliminate the freedom of choice, but it does make you less likely to use it well.

I've sometimes said that the ability to hope and the ability to imagine come from the same place, and that this is one of the reasons that a lot of adults become so much more miserable when they progress from childhood to adulthood. If they believe that imagination is childish, and they stop using their imaginations, then they stop practicing the ability to "see things not as they are, but as they may become." Envisioning and temporarily believing in things that aren't real, just because you enjoy it, is called fantasizing. But envisioning and believing in

things that aren't real yet, because you want to make that vision come to pass in reality, is called hoping.

So, Gmork is correct on this, too. People who don't try to imagine are unlikely to hope for a better world. Thus, they won't work towards a better world, or do things of their own initiative. People like this are easy to manipulate, and easy to control this way.

OK. Enough with the bleakness. If you learn one thing from both versions of Gmork, I hope that it's this: Don't give up your imagination. Don't tell yourself that it is childish or silly to think of things that aren't real, or that creativity is ever a waste of time or effort. Your ability to imagine actually strengthens your ability to recognize real truth when you see it; and your ability to imagine is directly linked to your ability to hope. You'll become the best version of yourself if you nurture your desires to imagine and create.

Yeah.

(Well, Gmork, stay in your chains if you must; I will always fight against your masters who sent you.)

#### Lyrics:

General Cope led frae behind to keep his men in order  
When the English ran he was in the van and first across The border

The Chevalier being void o' fear did march up Birsle Brae, man Through Tranent ere he did stent as fast as he could Gae,  
man General Cope did taunt and mock wi' many a loud huzza, Man  
But ere next morn proclaimed the dawn we heard another Craw, man

The brave Lochiel, as I heard tell, led Camerons on in Clouds, man The morning fair and clear the air, they loose'd wi'  
Devilish thuds, man  
Doon guns they threw and swords they drew, soon they Chased them off, man On Seaton Crafts they buffet their chafts  
and gar'd Them run like daft, man

The Battle of Prestonpans was the first battle of the 1745 Jacobite Rising. On 20-21 September 1745 the Jacobite army led by Charles Edward Stuart (Bonnie Prince Charlie) achieved a stunning and unexpectedly one-sided victory over the Government forces led by Sir John Cope. About 50 Jacobites are killed compared with 400 Government troops. Almost all of the Government infantry was captured.

For me and my true love will never meet again  
By the bonnie bonnie banks o' Loch Lomond

O well may I weep for yestreen in my sleep (well) (yesterday) we stood bride and bridegroom together  
But his arms and his breath were as cold as the death  
And his heart's blood ran red in the heather  
I trusted my ain love last night in the broom (own) (bush) My Donald wha' loves me sae dearly  
For the morrow he will march for Edinburgh toon (town)  
Tae fecht for his King and Prince Charlie  
(chorus)

As dauntless in battle as tender in love  
He'd yield ne'er a foor toe the foeman (enemy)  
But never again frae the field o' the slain (from)  
Tae his Moira will he come by Loch Lomond

The thistle may bloom, the King hae his ain  
And fond lovers may meet in the gloamin'  
And me and my true love will yet meet again  
Far above the bonnie banks of Loch Lomond

Lyrics:

An earthly nourris sits and sings, And aye she sings, "Ba lilly wean, Little ken I my bairnie's faither, Far less the land that he bides in."

Then up come he to her bed fit, Ane grumly guest I'm sure was he, Saying "Here am I, thy bairnie's faither, Although I may not comely be.

I am a man upon the land, And I'm a silkie on the sea, And when I'm far n' far frae land, My haime is in the Sule Skerry."

And he has taken a pot of gold And he's set it on her knee, Saying, "Gaie tae me my ain wee son And you accept your nourris fee.

It shall come to pass on a summer's day When the sun shines bright on every staine, That I will tak my ain wee son And learn him how tae swim the feam,

And you will marry a proud gunner, And a right good gunner I'm sure he'll be, And with the first shot that e'er he fires He'll kill baith my bonnie son and me."

### The Corries --- Farewell to Tarwathie

<https://www.youtube.com/watch?v=8uFaBq-Y3xQ&list=PL92E01A0A37161D4C&index=43>

Farewell to Tarwathie, adieu Mormond Hill  
And the dear land o' Crimond,  
I'll bid you fareweel I'm bound out for Greenland and ready to sail  
In hopes to find riches in hunting the whale

Adieu to my comrades, for awhile we must part  
And likewise the dear lass that fair won my heart  
The cold ice of Greenland, my love will not chill  
And the longer my absence, more loving she'll feel

Our ship is well rigged and she's ready to sail  
Our crew, they are anxious to follow  
the whale  
Where the icebergs do float and the stormy winds blow  
Where the land and the ocean are covered with  
snow

The cold coast of Greenland is barren and bare  
No seed time nor harvest is ever known there  
And the birds here sing sweetly on mountain and dale  
But there isn't a birdie to sing tae the whale

There is no habitation for a man to live there  
And the king of that country is the fierce Greenland bear  
And there will be no temptation to tarry long there  
Wi' our ship bumper full, we will homeward repair

The story goes he was sentenced to death for bearing arms at a market. It was the rivals of his family who was behind this. A reprieve was on its way from Edinburgh, and when they got wind of this, they ordered the west facing clock in Mcduff be put forward 15 minutes in time , ensuring that the execution went ahead without hinderence. As punishment for the part that the clock tower played in the events, it was ordered that the said west facing clock be covered for all time, and to this day, still is.

The Corries --- Willie's Gone To Melville Castle

<https://www.youtube.com/watch?v=eJOAvs8zn18&list=PL92E01A0A37161D4C&index=43>

O Willie's gane tae Melville Castle,  
Boots and spurs and a'  
To bid the ladies a' fareweel,  
Before hes gaed awa',

Willie's young and blythe and bonnie  
Loved by ane and a'  
O what would all the lassies do  
When Willie gaes awa'

Well, the first he met was Lady Kate,  
She led him through the ha',  
And wi' a sad and sorry heart  
she let the teardrops fa',

Beside the fire stood Lady Gray,  
Said ne'er a word of a'  
She thocht that she was sure of him  
Before he gaed awa'.

Then ben the hoose cam' Lady Bell,  
"Guid troth ye need na craw,  
Maybe the lad will fancy me  
and disappoint ye all",

Then doon the stair tripped Lady Jean,  
The flo'er amang them all,

"O lassies trust in providence,  
And you'll get husbands all."

When on his horse he rade awa',  
They gaithered round the door,  
He gaily waved his bonnet blue,  
they set up sich a roar

Their cries, their tears brought Willie back,  
He kissed them ane and a',  
"O lassies bide till I cam' hame  
And then I'll wed ye all!"

The Corries~ the Bonny Lass Of Fyvie-o  
<https://www.youtube.com/watch?v=e0Y37E9rqqg>

Lyrics:

There once was a troop o' Irish dragoons, Cam marchin' doon through Fyvie-o,  
And the captain's fa'en in love wi' a very bonnie lass, And her name it is cried pretty Peggy-o,

There's many a bonnie lass in the howe o Auchterlass, There's many a bonnie lass in the Garioch-o,  
Theres many a bonnie Jean in the streets o Aiberdeen, But the floower o' them aw is in Fyvie-o,

So come doon the stair, pretty Peggy my dear, Come doon the stair, pretty Peggy-o,  
Come doon the stair, bind up your yellow hair, Tak' a last farewell o your daddy-o,

Then up cries the colonel, mount boys, mount, Tarry says the captain, o tarry-o,  
O tarry for a while, for another day or twa, 'Til I see if this bonnie lass will marry-o,

T'was in the early morning when we marched awa, O but her captain was sorry-o,  
The drums they did beat o'er the bonnie braes o' Gight, And the pipes played the lowlands of Fyvie-o,

To lang ere we come, to Oldmeldrum toon, We had our own captain to carry-o,  
And lang ere we come to bonnie Aberdeen, We had our captain to bury-o,

Green grow the birks on bonnie Ythanside, And low lie the lowlands of Fyvie-o,  
Good captain's name was Ned, and he died for a maid, He died for the chambermaid of Fyvie-o,

I never did intend a soldier's lady for to be, I never will marry a soldier-o,  
I never did intend to gae tae a foreign land, And I never will marry a soldier-o,

It's braw, o it's braw, a captain's lady for to be, Braw to be a captain's lady-o,  
Braw to rout and roam But follow what is worth, And ride when your captain he is ready-o

Part 5 Then up and jumps the first forester He was captain o' them a' Sayin' "If that be Jock o' Braidislee Unto him we'll draw - we'll draw Unto him we'll draw" The first shot that the foresters fired It hit Johnny on the knee And the second shot that the foresters fired His heart's blood blint his e'e - his e'e His heart's blood blint his e'e

Part 6 Then up jumps Johnny fae oot o' his sleep And an angry man was he Sayin' "Ye micht have woken me fae my sleep Ere my heart's blood blint my e'e - my e'e Ere my heart's blood blint my e'e" But he's rested his back against an oak His fit upon a stane And he has fired at the seven o' them He's killed them a' but ane - but ane He's killed them a' but ane

Part 7 - final. He's broken four o' that one's ribs His airm and his collar bane And he has set him upon his horse Wi' the tidings sent him hame - hame Wi' the tidings sent him hame But Johnny's guid bend bow is broke His twa grey dugs are slain And his body lies in Monymusk His huntin' days are dane - are dane His huntin' days are dane

IN PRAISE OF GENGHIS KHAN

Blessed by the eternal sky, Born of the steppe, Everywhere in blue-skied Mongolia, His name resounds in the world, The courageous Mongol Genghis, The sublime lord Genghis. Even in burning wounds, A mind strong as steel, Like temporal swords, As powerful as a planetary bird, The courageous Mongol Genghis, The sublime lord Genghis.

Blessed by the sky above, Possessed half the world, Engrained is his spirit, In the majestic and mighty world. The courageous Mongol Genghis, The sublime lord Genghis.

[Youtube comment] Byambaa Erdene:

For those who wondering what they are singing about: The lyrics roughly goes like: There is the endless gobi, and there are saxauls, not only gems but also keeps the gobi warm. Somewhere there lives and sings my mother, she is a camel herder, the horde is prospered by her. I believe this song is the soundtrack of the documentary film "the weeping camel", in which a mother camel shunned it's baby camel (which really happens sometimes), and the baby camel wails. The herders then plays a ritual music with a Mongolian musical instrument named "horse headed fiddle" to the mother camel. The camel whines (this really happens too!) and accepts it's baby, as you can see in the

video.

How the music touches and why the camel reacts to it like that is unknown (to me). There you have it, now you can understand the music a little bit better i hope. If you wonder, why it sings that the mother lives "somewhere", the gobi is one of the harshest landscapes on earth, people who live there must move from one location to another depending on the season. The mother lives in the gobi and the kids apparently live somewhere else and memorizing their mother's lifestyle in their song.

## The Corries --- I Once Loved A Lass

<https://www.youtube.com/watch?v=oCtfZELJwJo&list=PL92E01A0A37161D4C&index=30>

### Lyrics:

I once loved a lass I loved her sae weel I hated all others who spoke of her ill But now she's rewarded me well for my love For she's gone to be wed to another

I saw my love to the church go With bridegroom and bridesmaidens they made a fine show And I followed on with my heart full of woe She was gone to be wed to another

I saw my love sit down to dine As I sat down beside her I poured out the wine I drank to the lassie that should have been mine Even though she'd been wed to another

The men o' the forest They ask it o' me How many strawberries grow in the salt sea? I answer them a' with a tear in my ee' How many ships sail in the forest

Dig me a grave Dig it sae deep And cover me over wi' flo'ers sae sweet And I will lay down and I'll tak' a long sleep And maybe in time I'll forget her

*Ye Jacobites by name, give an ear, give an ear, Ye Jacobites by name, give an ear,  
Ye Jacobites by name, Your fautes I will proclaim,  
Your doctrines I maun blame, you shall hear.*

What is Right, and What is Wrang, by the law, by the law? What is Right and what is Wrang by the law?  
What is Right, and what is Wrang? A short sword, and a lang,  
A weak arm and a strang, for to draw.  
What makes heroic strife, famed afar, famed afar? What makes heroic strife famed afar?  
What makes heroic strife? To whet th' assassin's knife,  
Or hunt a Parent's life, wi' bluidy war?

Then let your schemes alone, in the state, in the state, Then let your schemes alone in the state.  
Then let your schemes alone, Adore the rising sun,  
And leave a man undone, to his fate.

[Youtube Comment] Cynthia Senn:

Many people attribute poems to Robert Burns that were in actually works by earlier poets. This song is one of the songs he "reworked ". Burns collected and compiled the folk music off Scotland and had no qualms against changing them as this was common practice at the time. A couple of volumes of these works were published at the time. Though without a doubt his best works were his own. No one had the political wit he had. He was a progressive thinker for his time and sexually promiscuous. Twelve known children by different women. He was married to another at the time some of these women were giving birth. Burns also was a staunch Scots Nationalist but did not believe in a bloody revolution as evidenced by his " Ye Jacobites by name ". Regardless of the life Robbie Burns lived and perhaps because of he remains one the worlds greatest poets.

The Corries --- Scots Wha Hae

Scots wha hae wae Wallace bled Scots wham Bruce hae aftimes led  
Welcome tae your gory bed  
Or tae victory

Nows the day and nows the hour See the front o battle lour  
See approach proud Edwards power Chains and slavery

Wha will be a traitor knave Wha can fill a cowards grave Wha sae base as be a slave  
Let him turn and flee  
Wha for Scotlands king and law Freedoms sword will strongly draw  
Freeman stand and freeman fa  
Let him follow me

By oppressions woes and pains By your sons in servile chains We will drain our dearest veins  
But they shall be free

Lay the proud usurpers low Tyrants fall in every foe Libertys in every blow

Old Bothwell castle ages gone, have left the mould'ring and alone. While noble Douglas still retains thy verdant halls  
and fair domains. Oh, where are now thy martial throng, thy feasting hoard and their midnight songs? Bold warriors  
all who lined thy walls, will rise no more when battle calls. No Saxon foe may storm thy walls. Nor riot in thy regal  
halls; long, long has left bold Wallace's shade, and broken now, his battle blade. Old Bothwell Castle ruined towers stand  
lone among yon woody bowers; old ivy binds her mould'ring walls. Aye, and ruin reigns in Bothwells halls.

[Youtube Comment] Eric Bartel:

There is not much written on this frequency as it as an extension of the original solfeggio frequencies. This tone, 285 and 963 are additional solfeggio frequencies that are not as known as the original 6, The only information is that it creates a stable foundation for the evolution and acceleration of consciousness.

[Youtube Comment] David S:

I've got a set of tuning forks so i can confirm this is definitely a pure 528 hz. Caution: there are many videos with lots of "Likes" claiming to be 528hz but they are melodic: strings of different notes representing different frequencies strung together to form a "song". Albeit, sometimes very nice & relaxing songs, these are NOT pure 528 hz frequencies, so be careful what you listen to for "healing" purposes. Yes, many of them have 528 hz running in the background of the music, but this is not the most effective way to upload the frequency into your body. From my long experience with these vibrations, you don't need to play this frequency loud – it's better to have it very faint in the background as you relax or meditate or go about your day. You shouldn't really even notice it, put the volume really low. This will have the best impact on your body :)

This piece is created more or less by placing a tetromino on a  $5/4 \times 3/2$  lattice and then flipping or rotating said tetromino to create the next chord in a sequence of chords. Add a little voice leading and voila, the Mirror Chorale.

MICROTONAL TETRIS

[Youtube Video Description]

this isnt a real game or anything this is a serial tetromino chorale in 5-limit (on a 5/4 by 3/2 lattice) it has rules though. there are 12 unique tetrominos used (out of the.. what 15?, rotations and flips count as unique because they are unique chords!) we cycle through them five times. i think. maybe six? you can count. the first rule, which i break once, is that every piece must connect by at least one square to ever other. so right there thats... not really tetris is it? but this gives us a basis for interesting modulations. the second rule is that while the pieces must go in the serialized order, we can "slide" the same piece left right up or down to create a different chord of the same type. i only do this twice in the fifteen minute thing, both times with the... 9th chord i think? this is akin to, in 12 tone serialism, how repeated notes are allowed. repeated chord shapes are allowed - but they must slide. those are the rules. it has about three sections. its all just chords. anyway i dont think ill do something like this again. im tired of making things that people mistake for being made by ai. thats just embarrassing. the next thing im going to do is going to have a lot of personality. too much personality. if there is a next thing lol.

11th Harmonic Chorale - Preliminary Sketches (Just Intonation/Microtonality)

<https://www.youtube.com/watch?v=3YWVrl2-3Ko>

[Youtube Video Description]

This is yet another fragment exploring a tuning lattice built on the 3rd and 11th harmonics. I'm a big believer in these tuning lattices for creating comprehensible harmonic structures and the feeling of movement, and hopefully you can feel some of that here. A tuning lattice is a pretty simple thing - the way I do it, we have a stack of perfect 5ths on the Y axis, representing the 3rd harmonic, and we have a row of what are effectively quartertones on the X axis, representing the 11th harmonic. It's a great visual representation of very real harmonic relationships. My method from that point is to create common tone progressions as well as harmonic variety by essentially drawing shapes on the lattice. In this case the shapes cover three "squares" which means they represent triads. This is just a fragment, but if you find this sort of thing interesting, maybe it will grow to a whole piece some day!

David Canright - Fibonacci Suite for retuned piano, seven hands, 3rd Movement: Fugue (redder)

<https://www.youtube.com/watch?v=FqelrTRw0KA>

[Youtube Video Description]

The 3rd movement "Fugue (redder)" uses sequential Fibonacci numbers as note durations in simple phrases for each voice in each section, hence it gets slow quickly. Later voices enter such that at some point two phrases of the later voice fit into one phrase of the earlier voice (each Fibonacci number is the sum of the previous two). This same idea also appears in reverse, where voices speed up and drop out. Percussive sounds punctuate the sections, which are of successive Fibonacci lengths. At the middle, the pattern reverses; the overall rhythmic form is a palindrome.

Just a reminder Ukraine was taken over by and used for human, drug, and weapons trafficking. The Azov Group was trained by our U.S. Army to be a "White Nationalist" Nazi faction and used to radicalize other groups around the world and create false flag bullshit events to further the Communist Zionist Talmudic plans to demonize "White" European Descent Men.

Soros owns their T.V. stations and pushes propaganda 24/7.

Israel has been providing this group weapons and training as well.

So, when Putin says he is going after the "Nazis" this is what he is talking about.

I show you how the Azov group was used in the United States to create the perception that "White" supremacy groups are alive and well. It is all a CIA/Mossad/MI6 fabrication to demonize American's and label us "Domestic Terrorist"

[Order of Nine Angels – O9A.]

[An order of angels is referred to as a choir.]

[From a video description by Tony Gosling on Bitchute]:

Dugin is also an associate of Kerry Bolton, international distributor for David Myatt's fascist Satanist Order of Nine Angles (O9A), whose ideology is linked to the neo-Nazis in Ukraine.[114] According to Connell Monette, the O9A may include as many as two thousand members, making it the largest Satanist organization in the world.[115] The O9A surfaced around 1970, when "Anton Long," according to his own account, was initiated into a Wiccan coven and later became its leader, transforming it into a Satanist movement. Long was the pseudonym of the British neo-Nazi activist David Myatt. At the age of sixteen, Myatt made contact with a coven and later joined secret groups in London practicing the magic of the Golden Dawn and Aleister Crowley. In 1968, he joined the British Movement (BM), a member organization of WUNS. Later called the British National Socialist Movement (BNSM), BM was started by WUNS co-founder Colin Jordan, for whom Myatt became a bodyguard. Myatt was impressed by Jordan's writings on National Socialism and was also introduced by Jordan to the writings of Savitri Devi.[116]...

[Bitchute Comment] TeachKidsTheScienceOfLogic:

I love how the interviewer said "Wolfgang, what are your qualifications to have an opinion about Sandy Hook?" He is conditioning us to only believe experts.

How many experts like Wolfgang have come forward to tell the truth about these State sponsored false flag terror shootings? I think Wolfgang was the only one.

And he's going to be made to pay dearly for it.

I don't trust this interviewer. Yes just a bit too slick with his language.

P.S.

Did you know that the science of classical logic hasn't been taught in our State controlled public schools for more than a century? How are we supposed to understand sophisticated State sponsored deception, such as false flag terror and engineered pandemics, when we have never been taught to reason properly? All Planet Sounds From Space (Recorded By NASA) | Why do Planets Make Sounds?

[https://www.youtube.com/watch?v=FWq\\_sfQedmU](https://www.youtube.com/watch?v=FWq_sfQedmU)

Youtube video description by GoPhysics:

NASA recorded all planet sounds from space with the help of spacecrafts in the form of electromagnetic vibration and converted into the audible range of human ear (20-20,000 Hz). So, you can listen all planet sounds from space. Why do Planets Make Sounds? Space, although considered as a vacuum is not empty. Electromagnetic vibrations span almost all corners of space time fabric sheet. Each planetary body gives off a unique impression of the electromagnetic spectrum into the space. This happens due to the presence of different amounts of charged particles in the vicinity of the planet and also due to presence of different magnetic field strengths of each planet. The signals is mostly in wavelength of radio of the electromagnetic spectrum. Through the specially designed instruments of NASA carried aboard the VOYAGER, ISEE 1 and HAWKEYE space probes, they used the plasma wave antennas to record the vibrations in the audible range of human ear (20-20,000 Hz). So, we can actually listen what each planet of our solar system sounds like. Note: Use Your Headphones For Clarity. Enjoy!

The Sound of Universe | Original Sound of Space

<https://www.youtube.com/watch?v=d4dMMY227IY>

Youtube video description by World Of Mystery:

Although the space is a virtual vacuum, this does not mean there is no sound in space. Sound does exist as electromagnetic vibrations Through specially designed instruments the NASA Voyager, INJUN 1, ISEE 1, and HAWKEYE space probe. Used plasma wave antenna to record the vibrations all within the range of human hearing 20 to 20,000 HZ . The recorded sounds are the complex interactions of charged electromagnetic particles from the solar wind, ionosphere, and planetary magnetosphere.

NASA Voyager Space Sounds - Saturn

<https://www.youtube.com/watch?v=Ty82EdVePSc>

Youtube video description by ambispheric:

NOTE: All sound data reworked and mixed by Jeffrey Thompson @ Brain/Mind Research INFO: Although space is a virtual vacuum, this does not mean there is no sound in space. Sound does exist as electromagnetic vibrations. The specially designed instruments, on board the various space probes, used Plasma Wave antenna to record the vibrations used here, all within the range of human hearing (20-20,000 cycles per second). Interactions between the Solar Wind and the planets, moons and rings of our Solar System create "Soundscapes" of frequencies in the plasma energy "Ocean" that fills the void of space. Each planet, moon and ring system has a distinctive "musical" pattern. This decoded information can be heard when played over a speaker system. Saturn: Voyager I & II's 1980 encounter with Saturn revealed many dynamic details of this giant gas planet. Vast weather patterns across the face of Saturn in orange tang and white are the results of equatorial wind velocities of 1800 kilometers per hour. Saturn is second in size only to Jupiter. Saturn's magnetopause (its electromagnetic envelope) has a magnetic tail which extends away from the sun. Saturn's magnetic field traps charged particles coming from the solar wind. Enhanced images revealed a subtle bright spot in Saturn's north tropical zone. There was also a large oval feature in the southern hemisphere with certain similarities to the great red spot on Jupiter. The awesome magnetic and charged particle environment of Saturn plus its ionic interactions with its rings as well as free radio wave emissions from its ionosphere, contributed to the astounding variety of sounds on this recording.

"22:00 minutes. It is important to know that it was properly MACEDONIAN mythology, not Greek as the mainstream has unfortunately taught. The gods of Olympus were located on Macedonian territory, as Mount Olympus was located in Macedonia. The real "Greeks" were the Danai, who were African/Arab marauders and settled in the lower Peloponnese and islands from about 600BC onwards, and were used as slaves by the wealthier

elite.”

“The western side was known as Veh-Ardashir (meaning "the good city of Ardashir" in Middle Persian), known as Mahoza by the Jews, Kokhe by the Christians, and Behrasir by the Arabs. Veh-Ardashir was populated by many wealthy Jews, and was the seat of the Church of the East patriarch. To the south of Veh-Ardashir was Valashabad. [1]”

[Bitchute comment in response to the above video] Alawite Muslim Defence League:

1-These are orders of merit (medals) and has nothing to do with secret societies.

1 - The 1936 letter attributed to Assad's grandfather is a forgery made in 1980 by Lebanese Zionist "atheist" monk "Joseph Qazi" (penned his propaganda under fake Sunni Hariri family name) who was a member of the Israeli sponsored " Southern Lebanese Army", the dumb forger used French stamp from the house of Bourbon era as you can see yourself in your own video, while in 1936 there were no Kingdom in France and no house of Bourbon, the entire forgery was part of Mossad clandestine false flag operation cell named " Front for the Liberation of Lebanon from Foreigners", Mossad used this cell and hired non Alawites to frame Alawites, members of this cell were hired Christians, Druze, Sunnis and Shias, the goal of this operation cell was to create false flag attacks and propaganda to create division and confusion within Assad's camp. The forgery of the 1936 letter falsely attributed to Assad's grandfather debunked: <https://www.youtube.com/watch?v=IOS17f3daSE>

2- There were no Israeli forces in Lebanon 1976.

3 - The myth of "Assad sold Golan" was first promoted by Sadat of Egypt, the traitor who betrayed Syria and destroyed the Warsaw Alliance and who was a CIA agent himself as the book of "Boomerang How our covert wars have created enemies across the Middle East and brought terror to America" by Mark Zepezauer confirms in page 67, already Israel offered

Assad the father to take Golan back during the 90's and he refused because in return he was asked to betray his allies, the same offer of Israel was repeated to Assad the son in 2007 and 2008 to take Golan Back + Free American aide like Egypt and lift of sanctions , Assad the son refused because in return they asked him to betray our Iranian allies and Hezbollah and Palestinian resistance.

[Bitchute comment] jgr757:

Abram does not exist, nor any of the Jewish names in their Torah/Pentateuch. It is from the Indus Valley much farther back. Since all names of the beginning of Judaism are reorganized Vedic names, we are talking much longer back as Dwarka was found to be 9500 years old under water but in tact. Baal cycle and Melech started there from the Arian Brahmans (the white middle eastern and Siberian-Turkic peoples as evil as the Kaganate and Khanates. Brahma is Abram, Sara is Saraswati, Asherah is Asura, Baal is the storm god Haddad and Melech, Hycsos and others are all reference in their demonic books. It is called witchcraft but is deamon craft, a blood, cannibalistic, drug using, orgy based death cult. There is no YHWH as Shaddai (god of desolation - Akkadian and Chaldean hermaphrodite is their god.

All expeditions of the peoples from Egypt through Rome show no such thing as Israel. They have daily records of their lives and their trading with others. Judah shows NOTHING. Even the color Purple (Phoenicia) is stolen.

[Bitchute Comment] Battle Fiercely:

Jehovah, JHWH, Yahovah, YHVH, yud-hey-vav-hey, the tetragramaton, יהוה (יהוה) is the god of mischief, calamity, destruction, ruin.

This is the psychopathic, genocidal god found in the Old testament. He commanded the blood sacrifice of animals and burnt offerings, the mutilation of male genitals, money lending and usury. His followers serve him well, being expelled over 1,031 historically documented times from various villages, cities, states and nations after leaving them in ruin and calamity, bankrupt financially as well as morally and spiritually. These followers promote homosexuality, they pervert and sexualize children, and promote pedophilia (Talmud). They teach Judaism in many forms including Marxism and Freemasonry. They also teach and promote liberalism, socialism and communism. They engage in secret societies, and they are involved in both the black and white slave trades. They seek to destroy the laws, culture, religion, and history of all the Aryan and so called 'gentile nations.' They write books about exterminating the Germanic/Aryan/white race, and then project their crimes upon their victims. They infiltrate all positions of power and influence inside these nations, including religion, banking, media, politics, lawyers, judges, academia and intelligence agencies.

The letter yud, (י) or 'Y' in the English transliteration, or letter 'J' in the German transliteration is pronounced "ya" and means god, or god of, and הוה הוה is defined as: a ruin, disaster, destruction, calamity

Original Word: הוה

Part of Speech: Noun Feminine Transliteration: hovah

Phonetic Spelling: (ho-vaw')

Definition: a ruin, disaster, destruction, calamity

Strong's Concordance Hebrew Lexicon Number: H1943 הוה

[Bitchute Comment] Thanemac14:

Quotation From Spanish Conquistador Pedro Pizzaro, 1571: "The ruling class in the Kingdom of Peru was fair-skinned with fair hair the color of ripe wheat. Most of the great lords and ladies looked like white Spaniards. In that country I met an Indian woman with her child, both so fair-skinned that they were hardly distinguishable from fair, white men. Their countrymen called them 'Children of the gods'."

Furthermore the mummies of the Viracocha peoples in Peru had light blonde hair matching Pizzaro's description of hair "the color of ripe wheat". Another interesting tidbit is that the Central American Mayan and Aztec languages were found to have a strong relation with the Germanic language  
<https://www.realitycreation.org/maya-and-aztec-are-ancient-german/>

This would correlate very well with the description from the Maori genesis tale of Aryans crossing the Atlantic and landing in "Tawhiti-roa", (Central America) where they proliferated their language and then moved south to "Tawhiti-nui" (Peru) where their ancestors were later discovered by Pizzaro.

**\*EDIT\***

Brien Foerster tested the DNA of the elongated skulls with red hair in Peru and said they had DNA traced from Caucasus mountains by the black sea. Judeo-Leftist academics will complain about how the DNA samples were contaminated and thus produced faulty results. The evidence given of red haired/blue eyed-blond haired people, combined with the fact that only 3 out of the 17 samples came out as actual natives seems to suggest that this is a cope of massive proportions, all evidence suggests Aryan DNA, contamination is nothing but a coping mechanism. This also raises the question of whether or not the origin of these people was Aryawarta or the Caucasus mountains, which is considered the true origins of Aryans. If the Maori Genesis tale is correct in that the travelers origins were from India, then It would prove that Aryans didn't genetically originate in Aryawarta and had come to Aryawarta from a place like the Caucasus mountains, which corroborates with the Aryan invasion of India.

[Bitchute Video Description] FlatwaterflatearthTV:

All the freemasonic founding fathers were in on it from the start, the War for Independence was a freemasonic plan to let the colonies think they'd won their independence when really they'd sold their country and it's people over to never ending debt slavery to both the British and the Roman Catholic Papal State of the Vatican. The war for independence was the beginning, then there several attempts at central banks from England (That's what Alexander Hamilton really did), then the Civil War. All the while the founders such as Washington, Paul Revere, John Hancock, Benjamin Franklin... (well, really all of them) were double agents for the Crown through freemasonry. Treaties such as the Jay Treaty and the Treaty of Ghent secured taxation and rights for the Crown and the Vatican. Thank you for watching. Don't forget to subscribe.  
God bless you.

The territory now called The Ukraine was once the heart of the Khazar/Chazar Kingdom. This kingdom was largely unknown to the general population until Arthur Koestler wrote about its history in his 1976 book, The Thirteenth Tribe. Koestler was a Jewish novelist and historian who was fascinated by his own ancestry as a

Khazarian.

[https://en.wikipedia.org/wiki/Arthur\\_Koestler](https://en.wikipedia.org/wiki/Arthur_Koestler)

In *The Thirteenth Tribe* (1976) Koestler advanced a theory that Ashkenazi Jews are descended, not from the Israelites of antiquity, but from the Khazars, a Turkic people in the Caucasus that converted to Judaism in the 8th century and was later forced westwards. Koestler argued that a proof that Ashkenazi Jews have no biological connection to biblical Jews would remove the racial basis of European anti-Semitism.

The agency which planted, protected, and paid Pollard is the Israeli-U.S. Binational Industrial Research and Development (BIRD) Foundation, an intergovernment organization which acts as a channel between the U.S. Treasury and State Department and the Israeli Defense Ministry and Mossad. The organization is a product of Henry Kissinger's tenure at the State Department, and one of dozens which have been used to run joint U.S.-Israeli covert operations, of the sort typified by the Iran-Contra sales.

Key BIRD activists include:

Meir Amit, the former director of both the Mossad and Israeli military intelligence.

Yuval Ne'eman, minister of science and development, the former deputy director of military intelligence, and father of the Israeli nuclear bomb.

Dan Tolkowsky, former chief of the Israeli Air Force, and founder of one of Israel's top arms smuggling firms,

Elron- Elbit.

Itzhak Ya'akov, former chief scientist of the Israeli Defense Ministry, founder of BIRD, and currently U.S. station chief for the Defense Ministry's intelligence agency, LEKEM.

Rafi Eytan, LEKEM chief and Pollard task-master.

Harold Katz, counsel of the Israeli Defense Ministry and BIRD.

Dr. Jordan Baruch, former assistant secretary at the U.S. Commerce Department.

Pollard was paid for his espionage by BIRD's counsel, Harold Katz. He was tasked by the Israeli Defense Ministry's intelligence agency, LEKEM, whose U.S. station chief is Itzhak Ya'akov. Pollard was protected by a network within the U.S. Justice Department, including former Criminal Division director William F. Weld, and former Deputy Attorney General Arnold I. Bums, who are both linked to BIRD. The BIRD Foundation was established by treaty arrangement between the United States and Israel in 1977, based on discussions held in 1975 when Kissinger was Secretary of State. Its sister organization, the Binational Agricultural Research and Development (BARD) foundation, was formed the same year. Both organizations were modeled on the Binational Science Foundation (BSF), another U.S.-Israeli organization, that had been formed under Kissinger in 1973.

As their names imply, the three organizations, which have overlapping governing boards, officially sponsor joint U.S.- Israeli industrial, agricultural, and basic scientific research. The joint projects, and associated conferences, have provided traveling Mossad officers the means to find new U.S. scientists and industrialists to recruit. These operatives have naturally targeted major U.S. university science departments and aerospace firms for penetration.

BIRD, BARD, and the BSF maintain an endowment of \$300 million in Israeli banks. One bank known to be tied to the BIRD network is the Bank of Boston, which Harold Katz had used to pay Pollard for his espionage. In 1984, then U.S. Attorney in Boston William Weld protected the Bank of Boston, when it was caught laundering over \$2 billion in illicit funds used to finance intelligence operations such as BIRD's.

U.S. intelligence sources stress that the secret to the BIRD network is the petro-dollar recycling apparatus established by Kissinger following the 1973 Arab-Israeli war. As a result of that war, oil prices skyrocketed, and the Persian Gulf oil states were suddenly inundated by massive amounts of U.S. dollars. These petro-dollars, however, were never, ever substantially controlled by the Arab states, but simply siphoned back into the Western banking system ...

These petro-dollars have various illicit uses. These include financing "off-budget," "privatized" U.S. intelligence operations, outside the knowledge and reach of Congress and even the White House. The use of such schemes has now been made famous by the Iran-Contra affair. The postwar U.S. intelligence community first used such techniques when it began to fund its operations through the sale of Southeast Asian heroin. The BIRD network, and its associated covert banking apparatus, is simply one such "off-budget," putatively U.S.-Israeli capability, that has been financed by petro-dollars and dope.

[Bitchute Comment] Calamaistr:

“Very interesting. I do think he's on to something in that the zionists (who control russia and china both through chabad lubavitch) are performing their little "blot out the memory of amalek" on the west now before they can proceed with the greater Israel rollout and their tech systems of Palantir (internet of things and bodies) in this manner of Tartaria.

How better to blot out that memory than by replacing it with the kibbutzism/communism of a one world asiatic empire.”

[Pinned Youtube Comment] James Reeves:

As a reply to the people saying “what about the fact that they are blocking the road? What if an ambulance/pregnant woman is in that traffic jam?” in this instance, this would not likely be a viable defense. What many of you are appealing to, whether you know it or not, is referred to as the doctrine of necessity. However, the doctrine of necessity applies to the individual perpetrator, not a “what if” person. In other words, you can’t just shoot someone in the road because there might hypothetically be someone in danger as a result of the road being blocked, there must be an actual danger that you are aware of in order for that to apply. I know that people blocking the road makes you angry, it makes me angry, too, but at the end of the day, engaging in mental gymnastics to justify shooting people we don’t like is counterproductive. As far as the elements of the doctrine of necessity: “The defendant must reasonably have believed that there was an actual and specific threat that required immediate action. The defendant must have had no realistic alternative to completing the criminal act. The harm caused by the criminal act must not be greater than the harm avoided.” To oversimplify, if this guy had three people in the back of his truck who were going to die if he didn’t get through the roadblock, then he could justify shooting two or three of the people blocking the road, but only if there was no other alternative. I don’t think that this man met the standard to raise the defense, but I suppose we will see when all the facts come out.

What is interesting about this interview, is that Sean doesn't really ask Obrien any tough question just like his interview with Col Michael Aquino. He even mentions his interview with Aquino and acts as if Aquino was being very evasive, however Sean had him on Video and could have asked him anything he wanted. Doesn't anyone think that it's peculiar that he gave soft ball interviews to both these people? Tell me what you Think.

INDIAN VILLAGERS CUT 5G TOWER LINES DUE TO MANY DEATHS. मौतों के कारण भारतीय ग्रामीणों ने 5G तार

<https://www.bitchute.com/video/I7YgRRVjdRGI/>

[Bitchute Video description]

Leader of the Bhartiya Kisan Union (Indian farmer union) talks to Village head man Jaypal Singh Kundur from Haryana, India.

The villagers are reporting several deaths since the installation of 5G technology and LED lighting in villages across India.

Villagers who have realised this attack are cutting the 5G tower lines or demanding them to be shut. These deaths are being counted as covid deaths and are being used by the media for propaganda purposes.

Indian PM has demanded an increase in testing and vaccination across Indian villages in his 'war on corona'.

Apparently, 5G/high frequency technology towers have already been installed across India, even in far-off villages. These towers are being timely activated to forward the agenda narrative. These soft weapons are the real 'invisible enemy' which media never talks about. 5G will be officially rolled out in the second half of 2021 and the trials are now officially going on since April. However, there was a bird flu epidemic in India back in January which was most likely caused by 5G technology/ high frequency radiation.

<https://www.bitchute.com/video/qaTosfAABa7f/>

[Bitchute Video Description]

Covid-19 is a false pandemic created for political purposes. This is a world dictatorship with a sanitary excuse. We urge doctors, the media and political authorities to stop this criminal operation, by spreading the truth.

Rockefeller Foundation:

LOCK STEP – A world of tighter top-down government control and more authoritarian leadership, with limited innovation and growing citizen pushback In 2012, the pandemic that the world had been anticipating for years finally hit. Unlike 2009's H1N1, this new influenza strain — originating from wild geese — was extremely virulent and deadly. Even the most pandemic-prepared nations were quickly overwhelmed when the virus streaked around the world, infecting nearly 20 percent of the global population and killing 8 million in just seven months, the majority of them healthy young adults. The pandemic also had a deadly effect on economies: international mobility of both people and goods screeched to a halt, debilitating industries like tourism and breaking global supply chains. Even locally, normally bustling shops and office buildings sat empty for months, devoid of both employees and customers

Event 201 is a pandemic tabletop exercise hosted by The Johns Hopkins Center for Health Security in partnership with the World Economic Forum and the Bill and Melinda Gates Foundation on October 18, 2019, in New York, NY. The exercise illustrated the pandemic preparedness efforts needed to diminish the large-scale economic and societal consequences of a severe pandemic. Guess what virus they happen to choose for their 'simulation'? A coronavirus! Guess what animal cells they use? Pig cells! Drawing from actual events, Event 201 identifies important policy issues and preparedness challenges that could be solved with sufficient political will and attention. These issues were designed in a narrative to engage and educate the participants and the audience.

In 2014, the world avoided a global outbreak of Ebola, thanks to thousands of selfless health workers -- plus, frankly, some very good luck. In hindsight, we know what we should have done better. So, now's the time, Bill Gates suggests, to put all our good ideas into practice, from scenario planning to vaccine research to health worker training. As he says, "There's no need to panic ... but we need to get going."

Clade X is a day-long pandemic tabletop exercise hosted by the Johns Hopkins Center for Health Security on May 15, 2018, in Washington, DC. The exercise simulates a series of National Security Council-convened meetings of 10 US government leaders, played by individuals prominent in the fields of national security or epidemic response.

From October 18-27th 2019, Wuhan hosted the Military World Games and specifically used 5G (for the first time ever) for the event. Also on October 18th, 2019 in New York, the Johns Hopkins Center in partnership with World Economic Forum (WEF) and the Bill and Melinda Gates Foundation hosted Event 201 – “A Global Pandemic Exercise” which is a simulation of a pandemic.

 What is SADS?

Sudden arrhythmic death syndrome is when someone dies suddenly and unexpectedly from a cardiac arrest, but the cause of the cardiac arrest can't be found.

A cardiac arrest is when your heart suddenly stops pumping blood around your body. This stops your breathing and starves your brain of oxygen.

The rhythm of your heart (which controls your heartbeat) is controlled by electrical impulses. If the electrical impulses go wrong, it can cause an abnormal heart rhythm known as an arrhythmia. Some arrhythmias can be dangerous if they're left untreated, they can cause a cardiac arrest. Your heart's rhythm and electrical impulses are no longer there after death, this means an abnormal heart rhythm can't be found and the heart's structure will appear normal. This is why the cause of the cardiac arrest can't be found and SADS might be diagnosed.

[Bitchute video description] EUGENICS and DEPOPULATION:

“I put together this video shedding a little light onto a lesser known CIA Operation CRIMSON MIST which was executed in Rwanda in 1994 and resulted in over 1,000,000 African's massacred in the resulting created chaos (Ordo Ab Chao.) This is just their blueprint. It's so obvious if you study their historical record of actions toward the "common folk", regardless of where it's happening. If you think the 'Tuskegee Experiments' have stopped you're sadly mistaken. They always reveal the truth in fiction, as I've shown you in plenty of my previous works showing TV Shows, Movies and the likes where producers who have roles within the intelligence/military industrial complex sprinkle their truths throughout their productions... in this case it just so happens to be the movie 'Kingsman: The Secret Service' from 2014.”

You may be unaware that CERN (Conseil Européen pour la Recherche Nucléaire) is in fact short for the Celtic horned God, Cernunnos.

CERN is an official United Nations General Assembly observer.

The World Wide Web began as a CERN project named ENQUIRE, initiated by Tim Berners-Lee in 1989 and Robert Cailliau in 1990. Berners-Lee and Cailliau were jointly honored by the Association for Computing Machinery in 1995 for their contributions to the development of the World Wide Web..

On 30 April 1993, CERN announced that the World Wide Web would be free to anyone.

Dad Finds Out His Daughter Is Starting An OnlyFans... On A Podcast

<https://www.youtube.com/watch?v=75lGXa-Jtt0>

<https://www.etymonline.com/word/boy>

mid-13c., boie "servant, commoner, knave" (generally young and male); c. 1300, "rascal, ruffian, knave; urchin," mid-14c. as "male child before puberty" (possibly extended from the "urchin" sense). A word of unknown origin.

Possibly from Old French embuie "one fettered," from Vulgar Latin \*imboiare, from Latin boia "leg iron, yoke,

leather collar," from Greek boeiai dorai "ox hides." (Words for "boy" double as "servant, attendant" across the Indo-European map — compare Italian ragazzo, French garçon, Greek pais, Middle English knave, Old Church Slavonic otroku — and often it is difficult to say which meaning came first.)

But it also appears to be identical with East Frisian boi "young gentleman," and perhaps with Dutch boef "knave," from Middle Dutch boeve, perhaps from Middle Low German buobe. This suggests a gradational relationship to babe. Another conjecture:

In Old English, only the proper name Boia has been recorded. ME boi meant 'churl, servant' and (rarely) 'devil.' In texts, the meaning 'male child' does not antedate 1400. ModE boy looks like a semantic blend of an onomatopoeic word for an evil spirit (\*boi) and a baby word for 'brother' (\*bo). [Lieberman]

Used slightly of young men in Middle English, also in familiar or contemptuous use of criminal toughs or men in the armed services. In some local uses "a man," without reference to age (OED lists "in Cornwall, in Ireland, in the far West of the U.S."). The meaning "male negro slave or Asian personal servant of any age" attested from c. 1600.

Extended form boyo is attested from 1870. Emphatic exclamation oh, boy is attested by 1917. Boy-meets-girl "typical of a conventional romance" is from 1945; the phrase itself is from 1934 as a dramatic formula. Boy- crazy "eager to associate with males" is from 1923.

A noticable number of the modern words for 'boy', 'girl', and 'child' were originally colloquial nicknames, derogatory or whimsical, in part endearing, and finally commonplace. These, as is natural, are of the most diverse, and in part obscure, origin. [Buck]

<https://www.etymonline.com/word/girl>

c. 1300, gyrl "child, young person" (of either sex but most frequently of females), of unknown origin. One guess [OED] leans toward an unrecorded Old English \*gyrle, from Proto-Germanic \*gurwilon-, diminutive of \*gurwjoz (apparently also represented by Low German gære "boy, girl," Norwegian dialectal gorre, Swedish dialectal gurre "small child," though the exact relationship, if any, between all these is obscure), from PIE \*ghwrgh-, also found in Greek parthenos "virgin." But this involves some objectionable philology. Lieberman (2008) writes:

Girl does not go back to any Old English or Old Germanic form. It is part of a large group of Germanic words whose root begins with a g or k and ends in r. The final consonant in girl is a diminutive suffix. The g-r words denote young animals, children, and all kinds of creatures considered immature, worthless, or past their prime.

Another candidate is Old English gierela "garment" (for possible sense evolution in this theory, compare brat). A former folk-etymology derivation from Latin garrulus "chattering, talkative" is now discarded. Like boy, lass, lad it is of more or less obscure origin. "Probably most of them arose as jocular transferred uses of words that had originally different meaning" [OED]. Specific meaning of "female child" is late 14c. Applied to "any young unmarried woman" since mid-15c. Meaning "sweetheart" is from 1640s. Old girl in reference to a woman of any age is recorded from 1826. Girl next door as a type of unflashy attractiveness is recorded by 1953 (the title of a 20th Century Fox film starring June Haver).

Doris [Day] was a big vocalist even before she hit the movies in 1948. There, as the latest movie colony "girl next door," sunny-faced Doris soon became a leading movie attraction as well as the world's top female recording star. "She's the girl next door, all right," said one Hollywood admirer. "Next door to the bank." [Life magazine, Dec. 22, 1958]

Girl Friday "resourceful young woman assistant" is from 1940, a reference to "Robinson Crusoe." Girl Scout is

from 1909. For the usual Old English word, see maiden.

Brat (n.)

c. 1500, "beggar's child" ("... wyle beggar with thy brattis ...), from a northern, Midlands and western England dialect word for "makeshift or ragged garment;" probably the same word as Old English bratt "cloak," which is from a Celtic source (compare Old Irish bratt "cloak, cloth"). The transferred meaning is perhaps from the notion of "child's apron." Hollywood Brat Pack (modeled on 1950s Rat Pack) is from 1985. Brattery "nursery" is attested from 1788.

Shungite does NOT work to protect you from EMF's!!! As an EMF Safety Consultant with a 16 year medical background (and am EHS and have personally tried many of these items to no avail) I have to tell you that this is EMF snake oil. I'm sure the intent is good but these people are VERY misinformed. Shungite is EMF hopium. See me test it here.

<https://youtu.be/IyP-g6pu3Kg>

If you want to paint with something that blocks EMF's you should use Y Shield paint (or some other knock off version of a conductive paint) It's the only thing that works. Too bad they banned lead paint here in the US now THERE's a conspiracy. Big Pharma KNOWS how much EMF's have been sickening us for some time now and they have (knowingly) suppressed that info to financially benefit from the illnesses...cancer, autoimmune, diabetes, heart disease, mental health, autism etc. The FDA buried their own be-all, end-all, 10 year long, \$30 million dollar rat/cell phone study that PROVED cell phones cause cancer in 2018. "There is a ridiculous new counter-movement of carnist conspiracy theorists claiming that eating a plant-based vegan diet is actually unhealthy and a New World Order Agenda 21 conspiracy meant to undermine your well-being! Many of the people pushing this idea are also claiming that eating raw animal corpses is the correct, natural, healthy diet for humans. The following video shows how/why these people are not only dangerously wrong, but 180 degrees wrong, practicing the very opposite of what they preach.

[https://www.youtube.com/watch?v=j\\_RYZEgu5UM](https://www.youtube.com/watch?v=j_RYZEgu5UM)

[Youtube Comment] @monymary4516:

Hello, I've been using kettlebells for the last two years with great results. My Personal Trainer emphasizes how to breathe. I noticed that this man in the video and in most of Pavel's videos is breathing with short precise breaths; for each move one quick breath in then a few seconds later a quick breath out. Can someone explain that more in detail for me?

[Youtube Comment] @davobard:

It's called "breathing behind the shield," what you do is essentially take a short breath in, clean the bell and as it lands in the rack you exhale while keeping the core, glutes and legs tight. Then as you do the jerk, you do the same thing. Short inhale as you start the rep, short exhale as you finish, keeping everything tight. Same principle applies to swings, get ups, strict press, snatch, etc. This type of breath control will help with core and back stability and better control of your heart rate.

[Bitchute Comment] DaftAida:

The blatant and razor sharp truth. We are dealing with an alien psychology which is insane; the principle element has hybrid (high bred) transhumans as the 'chosen ones' behind the dystopian ideologies posing as religion and spirituality. The scope of the deception is boundless and yet discovery and realisation fuels a smouldering fire. May the flame be directed at the appropriate source.

This business of destroying the property of the infected is absolutely nothing new. In Hong Kong around the late 1890's the B'rithish declared the most densely populated housing areas condemned by a kind of plague and proceeded to evict people and destroy the buildings. As shown on China, people being locked in and gated in to their homes, the same as with the plague outbreaks. 2918 culling of the population through pollution and jabs. Little doubt that the plague measures in history as given, involved the same methods and tactics as the 'lockdown' experience and worse.

Mankind has been programmed to act like an armed squad in a circle, all firing off at eachother instead of standing shoulder to shoulder, facing the enemy down and out.

I can't recommend rye highly enough for this. It lets other plants grow around it, but it's capable of growing through wood chips, if you mulch with them, and degrades them insanely fast over the winter. Also, if you keep animals, rye really seems to like gentle grazing and seed foragers. It feeds my chickens very well, and squirrels also eat the seeds

[Youtube Comment] Perimeter Permaculture:

Swales are a tree growing system, not meant for grazing. I'm an hour or so south of you and I have a portion of my property swaled. Swales work but you've got to understand what you are trying to accomplish. A swale system is taking land away from pasture and into a forested status, the complete opposite of what you'd want to do for grazing. I don't let cattle anywhere near the swales. Geese and ducks are a good fit for a young swales system. Large animals are years down the road, if ever. Bill Mollison says 24 yrs for cattle.

I believe Cowan talked about this a bit, I'll watch this movie at home (no internet at home so I tend to take movies from bchute on usb with me see) but I am starting to think that , after watching Ewaranon's latest video on artificial nature..

Almost nothing in this world is natural/real at this point.

I mean, even vegetables as we know them are not natural, actual versions of every vegetable we take so for granted tend to be berry sized, go figure.

Crazy..

It gets stranger and stranger.

[Bitchute Comment] Cybervamp:

This is propaganda. Any knowledgeable educated person knows that opium in it's purest form has no ill side effects nor is it addictive. Opium in it's purest state is called chando. It relieves all pain and is non-hallucinagenic. Opium becomes bad with side effects if it's cut with other substances such as dross or pharmaceutical chemicals.

The Jews knew this.

Knowing is half the battle.

Joe Canuck is a lying shill when it comes to opium and truth.

Magpie sings with Butcherbird

<https://www.youtube.com/watch?v=wd5kLselRIw>

[Youtube Video Description]

Australian Magpies are not corvids like European or American Magpies. They are actually related to the Australian Butcherbird. They often share territories and we have observed them joining the Magpies attacking a snake. We often hear them communicate with another Butcherbird in the distance and sing at the same time as the Magpies. It could be a coincidence or it might be that it is somehow triggered by the voice of the Magpies. We have no way of

knowing what really goes on in their minds, but it is rare to see both of them singing in such close proximity to each other.

[Youtube Comment] dakalangt.v.2180:

Magpies and butcherbirds are two species of birds that are often found in the same habitats in Australia. While they are both known for their distinct and beautiful songs, they are also known for their unusual behavior of sometimes singing together.

Magpies have a complex and melodic song, while butcherbirds have a beautiful and flute-like call. When they sing together, they often complement each other's sounds, creating a harmonious and enchanting duet.

This behavior is not well understood by scientists, but it is believed to be a form of communication between the two species. It's possible that they are coordinating their territorial boundaries or simply enjoying each other's company.

Regardless of the reason, hearing the songs of magpies and butcherbirds together is a delightful experience and a true wonder of nature.

Bottle-to-Bottle Honey Production | Contactless Beekeeping  
<https://www.youtube.com/watch?v=9ItlOFLTUAs>

(Youtube Comment) Birkenzwillies:

Dear Mr. Egorov, I am a professional beekeeper, working for the Freie Universität Berlin in Germany. I can see that your method is working and a well thought through system. I have several questions: What was the biggest setback that you experienced during the development of your technique? Do you think there could be a legal way to treat against the varroa mite in the kegs? For example with formic acid? Will you be publishing your method? (I'd love to read about it in the journals!) How could one take samples from the honey around the brood for testing for American foulbrood? Would one have to cut into the side of the bottle? Could such a keghive be used as an educational setup to bring to schools? Do you use any kind of heating in the winter or do they keep the temperature well enough that added insulation is sufficient? Did you experience any problems with the airflow in the summer such as overheating? Is there a way to prevent swarms in this system or do you use swarms to split the hives as a skib or basket beekeeper would do? Thank you, for making this video. I'd love to hear a talk by you about your system at Apimondia or any other beekeeping event one day. Maybe we might meet. I'll keep an eye out for you so we can have a proper conversation one day. Kind regards, S. Ludewig

(Youtube Comment) Advoko MAKES:

Dear S. Ludewig, thank you for your constructive questions. 1. The bottle beekeeping technique has not yet been fully worked out and I plan to reveal the details by the end of the next season in the more comprehensive videos on my Russian and English YouTube channels. 2. Varroa mites in kegs can be effectively dealt with by the following methods, acceptable to me personally: - construction of drone frame (in some hive designs it is an additional bottle) - fumigation of formic and oxalic acid - CAS 81 (herbal mix of certain native plants) - pseudo-scorpion - some ether oils - isolation of the queen (in some hive designs from a bottle) 3. A brood sample can be taken through a U-shaped cut in a bottle hive that can be easily repaired with tape. It won't affect the bees. 4. Bottle hive is a wonderful study guide as you can observe bees from all angles unlike you can in a conventional demo hive. 5. Reflective foam insulation performed very well for me both in the summer and in the winter. It always stays on, I only removed it briefly to make those shots. I live in the northern climate and I had no problems with frost or ventilation using two lower tap-holes in my bottle hives. I added top vents to some hives. A friend of mine in Crimea (subtropical climate) makes a few extra vent holes in his bottles, I'm not sure if that's the right thing to do. 6. I perform anti-swarm measures such as a family division and an annual queen change, nest expansion, queen isolation 7. Currently, I do not plan to participate in conferences, I specialize in law and epistemology, not in beekeeping.))) Thank you for the offer though. P.S. Many people voiced concerns about micro-plastic and chemical leaching into honey. It is easy to address these concerns simply by coating bottle hives with a thin layer of beeswax both inside and outside. It can be easily done by diluting wax, pouring it into a bottle, wetting the walls, pouring it out and then drying the bottle hive. Best,  
Max

“Afghans developed this method of food preservation, which uses mud-straw containers and is known as *kangina*, centuries ago in Afghanistan’s rural north. Thanks to the technique, people in remote communities who can’t afford imported produce are able to enjoy fresh fruit in winter months. But even in villages like Ahmadi’s, near the capital, the tradition is kept alive for good reason. “Have you ever seen another method that can keep grapes fresh for nearly half a year?” Ahmadi asks with a laugh.”

Hinduism Explains That Humans Evolved from Snakes - Mystery of Nagas

<https://www.youtube.com/watch?v=rsQxzvuGrTQ>

(Youtbe Comment) @niharikadutta007:

one thing I wanna make clear is that Nagas and Sarpas are totally two different communities of species that were and are on Earth....So the english word Snakes is actually making it judged and not expressable (its not justice) So Nagas were the being that came from outer space and were very advanced and is being talked about in this video....Thankyou good presentation!!
